(General Purpose Oil Barrel Tax Ordinance/Measure)
ORDINANCE NO.

AN ORDINANCE OF THE PEOPLE OF THE CITY OF LONG BEACH, CALIFORNIA, AMENDING PORTIONS OF SECTION 3.80.221 OF THE LONG BEACH MUNICIPAL CODE INCREASING THE RATE OF THE CITY'S GENERAL PURPOSE OIL BARREL PRODUCTION TAX (BARREL TAX) FROM 15 CENTS PER BARREL TO A MAXIMUM OF 30 CENTS PER BARREL, SUBJECT TO ANNUAL CPI INCREASES

(NOTE: Additions are shown in bold italics and deletions are shown in strikeout)

THE PEOPLE OF THE CITY OF LONG BEACH DO ORDAIN AS FOLLOWS:

Section 1. Subject to the approval of a majority of the voters of the City of Long Beach at the General Municipal Election so designated by the City Council in a separate resolution placing the proposal on the ballot for such election, Section 3.80.221 of the Long Beach Municipal Code is hereby amended to read as follows:

3.80.221 Tax on oil production.

Notwithstanding any other provision of this Chapter 3.80, the provisions of this Section 3.80.221 and Section 3.80.223 shall apply to the business license tax on the business of oil production.

"A. Every person conducting, managing or carrying on the business of oil production from any well located in the City, including the City when functioning in the capacity of a unit operator, shall pay an annual maximum business license tax to the City of

\[ \text{fifteen cents ($0.15), thirty cents ($0.30)} \]

per barrel produced, subject to annual increases.
adjustments for inflation/deflation. In the event that the price per barrel on
the monthly average of the daily WTI (West Texas Intermediate Crude Index)
is reported in an amount less than twenty dollars ($20.00) for any month, the
rate of this general tax on oil production as described above shall be
temporarily suspended only for that same month. In the event that the WTI
ceases to exist or otherwise becomes impractical to use, the City shall
substitute an index which is reasonably comparable. For the purposes of this
Section, the general tax shall be automatically adjusted on June 1st of each
year, upward or downward, equivalent to the most recent change in the
annual average of the Consumer Price Index as published by the United
States Department of Labor for the Los Angeles-Riverside-Orange County,
CA, area ("CPI"). For purposes of calculating the annual inflation/deflation
factor under this Section, the base year shall be the year ended December
31, 2019. Rates shall first be adjusted on June 1, 2021, and annually
thereafter, based upon the annually calculated change from the base year.
The June 1, 2021 adjustment shall be for the change in the CPI for the year
ending December 31, 2020, and the adjusted rate shall first be applied to the
entire payment due on December 31, 2021.

G. REPEAL OR AMENDMENT OF SECTION. This Section
may be repealed or amended by the City Council without a vote of the
People of the City of Long Beach. However, as required by California
Constitution Article XIIIC (Proposition 218), voter approval is required
for any amendment or provision that would increase the maximum rate
or methodology of any tax levied pursuant to this Section. The people
of the City of Long Beach affirm that the following actions shall not
constitute an increase of the rate or methodology of the general Oil
Barrel Production (Barrel) Tax requiring subsequent voter approval:

(a) The restoration of the rate of the tax to a rate that is
no higher than the maximum set by this voter-approved section, if the
City Council has previously acted to reduce the rate of the tax;

(b) An action that interprets or clarifies the
methodology of the tax, or any definition applicable to the tax, so long
as interpretation or clarification (even if contrary to some prior
interpretation or clarification) is not inconsistent with the language of
this section;

(c) The establishment of a class of person or service that is
exempt or excepted from the tax or the discontinuation of any such
exemption or exception (other than the discontinuation of an exemption or
exception explicitly set forth in this section); and

(d) Resuming collection of the tax imposed by this section,
even if the City had, for some period of time, either suspended collection of
the tax or otherwise failed to collect the tax, in whole or in part.”

Section 2. The Barrel Tax set forth herein shall be collected and

Section 3. Pursuant to Article XIIIB of the California Constitution, the
appropriation limit for the City of Long Beach will be increased by the maximum projected
aggregate collection authorized by the levy of this general tax, as indicated in Section 1,
in each of the years covered by this Ordinance plus the amount, if any, by which the
appropriation limit is decreased by law as a result of the levy of the general tax set forth
in this Ordinance.

Section 4. If any portion of this Ordinance is declared invalid by a court
of law or other legal body with applicable authority, the invalidity shall not affect or
prohibit the force and effect of any other provision or application of the Ordinance that is
not deemed invalid. The voters of the City hereby declare that they would have
circulated for qualification and/or voted for the adoption of this Section, and each portion
thereof, regardless of the fact that any portion of the initiative may be subsequently
deemed invalid.

Section 5. Pursuant to California Constitution Article XlllC §(2)(b) and California Elections Code §9217, this Ordinance shall take effect only if approved by a majority of the eligible voters of the City of Long Beach voting at the General Municipal Election to be held on November 3, 2020, and shall become effective as of October 1, 2021.

Section 6. The Mayor is hereby authorized to attest to the adoption of this Ordinance by the People voting thereon on November 3, 2020, by signing where indicated below.
