

STATEMENT OF KETTY CITTERIO
CANDIDATE FOR: LONG BEACH CITY COUNCIL - DISTRICT 2

OCCUPATION: Senior Services Provider

President of Friends of Bixby Park; Board Member of LB Reuses; Environmental Activist.

Five years ago I joined the Friends of Bixby Park because I could not stand by watching our beautiful coast community continue to deteriorate. I made it my mission to rescue the park by organizing monthly clean ups, activating it with events, enhancing public safety, registering bikes to limit chop-shops, and helping the unhoused get aid and support.

I wish those in City Hall today pursued these goals with actions, not just rhetoric. Our City should be beautiful, safe and prosperous. We, the residents, should be able to enjoy our public spaces and have the quality of life we deserve.

THE TIME FOR CHANGE WAS YESTERDAY

We need a council member who is present, responsive, and who has shown over and over that she will roll up her sleeves and engage directly with the challenges we face.

My priorities as your council member will be:

- Homelessness
- Safety
- Parking
- Clean Neighborhoods
- Clean Beaches
- Noise Pollution
- Cars Speeding
- Small Businesses
- Openness and Communication with Residents
- City Spending Accountability
- Focus on Seniors and Youth
