WHEREAS, symptoms of COVID-19 include fever, cough, and shortness of breath, and infected individuals have experienced a range of outcomes, from mild sickness to severe illness and death; and

WHEREAS, on March 11, 2020, the World Health Organization declared the COVID-19 a pandemic; and

WHEREAS, on March 13, 2020, the President of the United States of America declared a National Emergency as a result of COVID-19; and

WHEREAS, previously, after deep concern by the World Health Organization and the Federal government, and as a result of the need to proactively slow the spread of, and combat, COVID-19 in the City of Long Beach, the City Public Health Officer issued a Declaration of Local Health Emergency and the then Acting City Manager issued a Proclamation of Local Emergency; and

WHEREAS, on March 10, 2020, the City Council of the City of Long Beach recognized that an emergency did exist and unanimously passed a Resolution ratifying the City Manager's Proclamation of a Local Emergency and the Public Health

1 Officer's Declaration of Local Health Emergency; and

2 WHEREAS, in order to mitigate the effects of COVID-19 within the City,
3 the Long Beach Health Officer issued the Safer at Home Order for Control of COVID-19
4 ("Health Order"), and thereafter revised said Health Order from time to time as
5 necessary in furtherance of the public health and safety; and

6 WHEREAS, in order to further protect the public health and safety, it is
7 necessary to adopt ordinance provisions that will provide administrative, civil, and
8 criminal enforcement remedies for violations of the lawfully issued Health Orders of the
9 City; and

10 WHEREAS, the proposed Ordinance would require, where practicable, the
11 City Manager to bring City Health Orders related to COVID-19 before the City Council
12 for confirmation prior to promulgating such Orders; and

13 WHEREAS, in the event it is not feasible to do this, the City Manager
14 shall, within a 14-day period from promulgation of said Health Orders, request the City
15 Council to confirm the Health Orders; and

16 WHEREAS, this alternative process recognizes the potential need for the
17 City's Health Officer to quickly amend or update City Health Orders due to the rapid
18 development of COVID-19, while still ensuring the City Council maintains oversight of
19 the COVID-19 local emergency and the City Manager's related orders; and

20 WHEREAS, the City's primary goal is to ensure the public health and
21 safety during the COVID-19 local, state, and federal emergencies through outreach
22 efforts and education of the Long Beach community regarding the City Health Orders
23 and COVID-19; and

24 WHEREAS, where such outreach and education efforts do not on their
25 own gain compliance, the proposed Ordinance allows for civil, administrative, and/or
26 criminal enforcement of City Health Orders related to COVID-19, issued by the Health
27 Officer and promulgated by the City Manager; and

28 WHEREAS, with respect to criminal enforcement of violations of the

1 lawfully issued Health Orders, such violations may be prosecuted as misdemeanors or
2 infractions in the sole discretion of the City Prosecutor; and

3 WHEREAS, it is the City's intent that the authorized enforcement of the
4 City Health Orders as described in the proposed Ordinance shall only occur after a
5 person is provided ample opportunity to comply after being notified of an alleged
6 violation; and

7 WHEREAS, the City efforts shall be in furtherance of the health, safety,
8 and welfare of those residing in, doing business in, or visiting the City of Long Beach
9 during the declared COVID-19 emergency; and

10 WHEREAS, the proposed Ordinance is temporary and shall expire One
