ORDINANCE NO. ORD-22-0003

AN ORDINANCE OF THE CITY COUNCIL OF THE
CITY OF LONG BEACH AMENDING THE LONG BEACH
MUNICIPAL CODE BY ADDING CHAPTER 8.120,
TEMPORARY ENFORCEMENT OF LONG BEACH
HEALTH ORDERS RELATED TO COVID-19; DECLARING
THE URGENCY THEREOF; AND DECLARING THAT THIS
ORDINANCE SHALL TAKE EFFECT IMMEDIATELY

WHEREAS, on March 10, 2020, the City Council of the City of Long
Beach recognized that an emergency did exist and unanimously passed a Resolution
ratifying the City Manager's Proclamation of a Local Emergency and the Public Health
Officer's Declaration of Local Health Emergency; and

WHEREAS, in order to mitigate the effects of COVID-19, and any variants
of COVID-19 within the City, the Long Beach Health Officer issued Health Orders for
Control of COVID-19 ("Health Order"), and thereafter revised said Health Order from
time to time as necessary in furtherance of the public health and safety; and

WHEREAS, in order to further protect the public health and safety, it is
necessary to adopt ordinance provisions that will provide administrative, civil, and
criminal enforcement remedies for violations of the lawfully issued Health Orders of the
City; and

WHEREAS, the proposed Ordinance would continue require, where
practicable, the City Manager to bring City Health Orders related to COVID-19 before
the City Council for confirmation prior to promulgating such Orders; and

WHEREAS, in the event it is not feasible to do this, the City Manager
shall, within a 14-day period from promulgation of said Health Orders, request the City
Council to confirm the Health Orders; and
WHEREAS, this alternative process recognizes the potential need for the City’s Health Officer to quickly amend or update City Health Orders due to the rapid development of COVID-19, while still ensuring the City Council maintains oversight of the COVID-19 local emergency and the City Manager’s related orders; and

WHEREAS, the City’s primary goal is to ensure the public health and safety during the COVID-19 local, state, and federal emergencies through outreach efforts and education of the Long Beach community regarding the City Health Orders and COVID-19; and

WHEREAS, where such outreach and education efforts do not on their own gain compliance, the proposed Ordinance allows for civil, administrative, and/or criminal enforcement of City Health Orders related to COVID-19, issued by the Health Officer and promulgated by the City Manager; and

WHEREAS, with respect to criminal enforcement of violations of the lawfully issued Health Orders, such violations may be prosecuted as misdemeanors or infractions in the sole discretion of the City Prosecutor; and

WHEREAS, it is the City’s intent that the authorized enforcement of the City Health Orders as described in the proposed Ordinance shall only occur after an individual and/or business is provided ample opportunity to comply after being notified of an alleged violation; and

WHEREAS, the City efforts shall be in furtherance of the health, safety, and welfare of those residing in, doing business in, or visiting the City of Long Beach during the declared COVID-19 emergency; and

WHEREAS, the City Council previously adopted this Ordinance on May 12, 2020, and extended the effective date of this Ordinance on November 2, 2020, January 19, 2021, and August 17, 2021; and

WHEREAS, without an amendment extending this Ordinance, it will expire by its own terms on February 13, 2022; and

WHEREAS, if adopted as an urgency ordinance, this Ordinance will
extend the effective date of this Ordinance until August 7, 2022; and

WHEREAS, this Ordinance is necessary to further protect the public health and safety by providing enforcement remedies for violations of the lawfully issued Health Orders of the City due to the sharp increase in the COVID-19 case rate which can be expected to lead to an increase in hospitalizations, which may overwhelm the healthcare system, and deaths, especially for those who are older and who have underlying health conditions;

NOW, THEREFORE, the City Council of the City of Long Beach ordains as follows:
