

## PROPOSED ADJUSTMENTS TO CITY FEES AND CHARGES FISCAL YEAR 2023

The City of Long Beach will conduct a public hearing to adopt the resolution amending the Master Fee and Charges Schedule on December 6, 2022 at 5:00 p.m. in the Civic Chambers at 411 W. Ocean Boulevard, Long Beach, California, 90802. The City Council will consider the adoption of fee changes for Airport fuel flowage fees:

LONG BEACH AIRPORT – MISCELLANEOUS FEES, **FUEL FLOWAGE FEES – FUEL SUPPLIER.**

For details regarding these proposed fee changes (increases/decreases), please visit our website at <http://www.longbeach.gov/feesandcharges>.

On September 5, 2017, the City Council adopted an amended Financial Policy on *User Fees and Charges*, which reads:

### ***User Fees and Charges Will be Set at the Cost of the Service***

***Background*** – Fees and associated charges are associated with recovering the cost of providing a service. The City can charge up to the full cost of providing a service.

### ***Policy*** –

- a. *Fees will be set at a level to fully recover costs, except where there is a greater public benefit through use of a lower fee, such as where full recovery may adversely impact overall revenue or may discourage participation in programs where the participation benefits the overall community.*
- b. *The City Manager will establish a process to for in-depth review of all fees over time. The review, while eventually covering all fees, should emphasize those that have or may have significant subvention (may not be at full cost).*

Per the City Council's adopted Financial Policies, the City has redoubled its efforts to improve cost recovery through all appropriate user fees for services to better preserve General Fund services that would otherwise face reduction and to maintain a structurally balanced budget.

Questions or concerns about changes to City fees can be addressed by calling (562) 570-FEES or (562) 570-6132.
