PROPOSED ADJUSTMENTS TO CITY FEES AND CHARGES
FISCAL YEAR 2026

The City of Long Beach will conduct a public hearing to adopt the resolution amending the Master Fee and Charges Schedule on June 16, 2026 at 5:00 p.m. in the Civic Chambers at 411 West Ocean Blvd., Long Beach, California, 90802. The City Council will consider the adoption of a new fee for special events parking at the 125 Elm Avenue city-owned facility in the following department:

PUBLIC WORKS: *CITYWIDE FEES & CHARGES* – Parking Management – Misc. Parking Lots Rates – 125 Elm Special Events Parking

For details regarding these proposed new fees and fee increases, please see the attached List of Proposed Adjustments or visit our website at http://www.longbeach.gov/feesandcharges. This list includes the amount of cost, or estimated cost, required to provide the service for which the fee or charge is levied, and the revenue sources anticipated to provide the service.

On September 5, 2017, the City Council adopted an amended Financial Policy on *User Fees and Charges*, which reads:

> ***User Fees and Charges Will be Set at the Cost of the Service***
>
> ***Background*** *– Fees and associated charges are associated with recovering the cost of providing a service. The City can charge up to the full cost of providing a service.*
>
> ***Policy*** *–*
>
> a. *Fees will be set at a level to fully recover costs, except where there is a greater public benefit through use of a lower fee, such as where full recovery may adversely impact overall revenue or may discourage participation in programs where the participation benefits the overall community.*
>
> b. *The City Manager will establish a process to for in-depth review of all fees over time. The review, while eventually covering all fees, should emphasize those that have or may have significant subvention (may not be at full cost).*

Per the City Council's adopted Financial Policies, the City has redoubled its efforts to improve cost recovery through all appropriate user fees for services to better preserve General Fund services that would otherwise face reduction and to maintain a structurally balanced budget.
