

## **PROPOSED SHARED MICROMOBILITY DEVICE PROGRAM**

The City of Long Beach will conduct a public hearing to adopt an ordinance to amend the Long Beach Municipal Code to include a Shared Micromobility Device Program on May 14, 2019 at 5:00 p.m. in the City Council Chambers at 333 West Ocean Blvd., Long Beach, California 90802. The City Council will consider the adoption of a program and new fees designed to recoup a portion of the costs associated with the implementation of the pilot program and to support staffing for the program in the future.

The City of Long Beach has conducted a ten-month e-scooter pilot program that has included six vendors and over 1000 devices. On February 19, 2019, the City Council took action to formalize the adoption of a program to continue the use of e-scooters in Long Beach. The City Attorney was directed by City Council to draft an ordinance to formalize the program.
