Citizen Police Complaint Commission
City Manager Report

The Commission had concerns regarding an accused officer who made a material misrepresentation of a traffic stop in his police report. If this is accurate this item should be reviewed by the Long Beach Police Department (LBPD) and City Manager. Despite not being alleged by the complainant, the Commission has recognized this violation of the policy and should be reviewed and acted on accordingly. The Commission stated that misrepresentation in a police report is a serious matter and could cause doubt in the veracity of the entire LBPD.
