Red Car Greenbelt 
(P.E. Right-of-Way)

The Red Car Greenbelt project replaces 3.66 acres of former railway right-of-way property with a landscaped park that includes trails for walking and bicycling. Improvements include enhanced accessibility to the Colorado Lagoon, new lighting along the main trail path, native plant landscaping and decorative fencing.

Community Benefits:
• Promote walkability and bikeability
• Provide a safe passage for the community
