---

Long Beach Mayor Robert Garcia, Vice Mayor Suja Lowenthal and the Department of Parks, Recreation and Marine would like to invite you and your staff to a Grand Opening Celebration for the new Dock 10 at Rainbow Harbor Marina on Saturday, February 7 at 10:30 a.m. The dock is located at 160 E. Shoreline Drive.

The new 500-foot long dock replaces a deteriorated 300 foot dock at the mouth of Rainbow Harbor adjacent to the Parkers Lighthouse Restaurant. The dock has an ADA accessible gangway, smooth concrete walking surface, shore power, sewage pump-out, potable water, fire protection system, fire extinguishers, emergency telephone, and safety lighting.

The construction cost was approximately \$2.5 million, which was provided from the Tidelands funds.

The dock will significantly increase public mooring capacity for residents, local businesses, and boaters who use the Rainbow Harbor, Shoreline Village, and nearby attractions.

For more information about the Rainbow Harbor Dock 10 opening, please call (562) 570-3240.

We look forward to having you join us.
