Subject: **Fire Prevention Week Activities in Long Beach**

To increase the public's awareness of how to prevent and respond to fires, the Long Beach Fire Department invites you to participate in a public engagement event for Fire Prevention Week.

On Saturday, October 14th, Station 12, located at 1199 E. Artesia Blvd., will host an Open House from 11:00 a.m. to 2:00 p.m. This event will include fire station tours, various fire department demonstrations, and the premiere of a Measure A and LBTv video on the history and community benefit of Station 12. A *Fire Prevention Week Open House* is expected to become a new Fire Department tradition, which will rotate to different stations each year to provide equal access to the community.

If you have any questions, please contact Jake Heflin, Fire Department Public Information Officer, at (562) 760-6950, or Desiree Gutierrez, Measure A Communications Officer, at (562) 570-5686.
