

Date: December 6, 2019

To: Mayor and Members of City Council

From: Thomas B. Modica, Acting City Manager 

Subject: **State Joint-Informational Hearing on Census 2020 in Long Beach**

On December 10, 2019, the *Assembly Select Committee on the Census* and *Senate Select Committee on the 2020 United States Census* will conduct a joint, informational hearing on Census 2020 in the Bob Foster Civic Chambers at 11:15 a.m. Long Beach was selected as the host site due to its 2020 Census efforts to date.

The purpose of the hearing is to highlight Census 2020 education and outreach efforts in Los Angeles and Orange Counties. The hearing will consist of four discussion panels covering local government outreach, community-based organization outreach, education outreach and state and federal updates on support for local outreach and workforce recruitment. The City of Long Beach will present information on its current and planned outreach efforts as part of the local government outreach panel. A copy of the hearing agenda is attached.

This meeting is open to the public and staff is invited to attend. As a reminder, the Brown Act allows a majority of the Council to attend an open and publicized meeting of another legislative body, as long as they refrain from discussing City business (see Cal. Gov Code 54952.2.). To avoid the appearance of a violation, Councilmembers may want to sit apart from one another.
