To: Thomas B. Modica, Acting City Manager *T.M.*

From: Xavier Espino, Fire Chief *X.E.*

For: Mayor and Members of the City Council

Subject: **Termite Fumigation at Fire Station 7**

Long Beach Fire Station 7, located at 2295 Elm Avenue, will receive termite fumigation services beginning at 8:00 a.m. on November 13, and concluding at 8:00 a.m. on November 16. During the fumigation process, Engine 7 will relocate to Fire Station 13, located at 2475 Adriatic Avenue, and Truck 7 will relocate to Fire Station 10, located at 1417 Peterson Avenue. These locations were selected because they border Fire Station 7 area, and they can accommodate the crew and their respective apparatus. Both units will patrol their home area throughout the day.

The fumigation process is routine maintenance. Other recent maintenance efforts include roof replacement in 2018 and tower repairs in 2019. Replacement windows are scheduled to be installed following the fumigation process, and exterior and interior painting is projected to take place in mid-2020.

If you have any questions regarding this matter, please contact me at (562) 570-2509.
