For: Mayor and Members of the City Council

Subject: **Holiday Treecycling Program – December 26, 2021 through January 8, 2022**

---

The Department of Public Works (Public Works) is holding its annual Holiday Treecycling program from December 26, 2021 to January 8, 2022. This program provides residents with opportunities to recycle their holiday trees free of charge, including drop-off of holiday trees, at 12 locations throughout Long Beach (see attached flyer).

Residents served by City of Long Beach refuse service can also have their trees picked up from their homes on Saturday, January 8, 2022. To participate in the residential tree collection, residents need to set out trees for collection at their regular refuse collection location by 7:00 a.m. While Public Works makes every effort to collect all trees left out on this date, the volume of trees often exceeds what refuse operations can handle in one day. Trees in areas missed on January 8, 2022 will be collected throughout the rest of that week.

Your assistance with the distribution of the attached multilingual Holiday Treecycling program flyers is requested. For more information, please visit <http://www.longbeach.gov/lbrecycles/>.

If you have any questions regarding this matter, please call Diko Melkonian, Deputy Director and Environmental Services Bureau Manager, at (562) 570-2856.
