Subject: **Grand Opening Ceremony for El Dorado Park West Multi-Purpose Sports Field**

Mayor Robert Garcia, Councilwoman Stacy Mungo, and the Departments of Public Works and Parks, Recreation and Marine invite you and your staff to attend a grand opening ceremony for the El Dorado Park West Multi-Purpose Sports Field at 2700 Studebaker Road. The ceremony will be held on Saturday, October 2 at 10:00 a.m. (see attached invitation).

The new field replaces an existing field and, at 210 by 315 feet in size, will be the largest field both at El Dorado Park West and in the City. The field has many qualities that make it accessible and safe year-round including:

- Renewable cork-and-sand infill is a safe alternative to crumb rubber
- Synthetic turf has reduced water needs and efficient storm water runoff
- Artificial turf material improves usability, safety, and performance for sports
- The field perimeter is lined with boulders to help protect the field
- ADA access to the adjacent parking lot and the sidewalk on Studebaker Road
- Lower maintenance costs and a longer life span

Youth from local soccer leagues will participate in a ceremonial ball kick and pose for a group photo.

For more information regarding the event, please call the Department at (562) 570-3150.
