Subject: **Groundbreaking Ceremony for Junior Lifeguard Facility – December 6, 2022**

Mayor Robert Garcia, Third District Councilwoman Suzie Price, and the City of Long Beach invite you and your staff to attend the groundbreaking ceremony for the Junior Lifeguard Facility. The ceremony will be held on Tuesday, December 6, 2022 at 12:30 p.m. at Claremont Launch Ramp, located at the Claremont Place and Ocean Boulevard.

The Junior Lifeguard Facility Rebuild Project will build a one-story modular building with a second level viewing deck, stingray response room, lifeguard office and locker rooms adjacent to the existing Claremont Launch Ramp and public restroom. The scope of work includes the construction of a new foundation to support the modular building, new utilities, installation of new bike racks, and demolition of the existing Junior Lifeguard building.

The new Junior Lifeguard Facility will provide access to the coast for the Long Beach Junior Guard (LBJG) program during the summers and provides stingray treatment services for the public year-round.

For more information regarding the event, please call Joy Contreras, Community Relations Officer, at joy.contreras@longbeach.gov or 562-570-6739.
