

Date: November 18, 2022

To: Thomas B. Modica, City Manager 

From: Eric Lopez, Director of Public Works 

For: Mayor and Members of the City Council

Subject: **Holiday Treecycling Program – December 26, 2022 through January 7, 2023**

The Department of Public Works is holding its Annual Holiday Treecycling program from December 26, 2022 to January 7, 2023. This program provides residents with numerous opportunities to recycle their holiday trees free of charge, including a drop off option at one of 12 locations throughout Long Beach (see attached flyer).

Residents with City of Long Beach refuse service can also have their trees picked up from their homes on Saturday, January 7, 2023. Trees need to be set out for collection by 7:00 a.m. at the regular refuse collection location. Please be advised that while we make every effort to collect all trees left out on this date, the volume of trees placed out for collection are often more than we can handle in one day. Any areas missed on January 7, 2023 will be collected throughout the rest of the week.

Your assistance with the distribution of the attached multilingual Holiday Treecycling program flyers is requested. For more information, please visit <http://www.longbeach.gov/lbrecycles/>.

If you have any questions regarding this matter, please call Diko Melkonian, Deputy Director and Environmental Services Bureau Manager, at (562) 570-2856.
