Subject: **Update on Economic Impact Analysis of Port Automation**

On [August 13, 2019](#), the City Council directed the City Manager to work with the Harbor Department to conduct an Economic Impact Analysis of automation at the Port of Long Beach. The analysis requested a focus on the local community's economic impact, including job losses and effects on local businesses. The Harbor Department has provided an update in response to the City Council's request, which is attached.
