**CHLB Emergency Department Reopens!**

On Wednesday, May 12th at 11:00 am, we unveiled the "Emergency" sign at Community Hospital. At noon, the emergency department was officially reopened for walk-in and transfer patients for the first time in nearly three years. In the next few weeks, we expect CHLB will begin to accept patients who are transported by ambulance. The newly reopened department has 20 beds, new medical equipment, upgraded electronic patient tracking, a refurbished exterior facade and an updated lobby area. This was a monumental day for the City of Long Beach as residents now have the 24/7 medical services that are so critically needed. We would like to thank all those involved in the reopening efforts including the Community Hospital Long Beach Foundation, Mayor Garcia and City Council, Molina Wu Network, City staff and all the medical personnel, past and present, who were always such a positive influence. And Finally

Rest In Peace Sweet Olivia

It is with profound sadness that we report the passing of Olivia Alvillar. Olivia was the inspiration for the all-inclusive swings that were installed at Los Altos Park. The need for playground equipment for children of all abilities was brought to my attention by CD4 resident, Don Allison. He had been taking his granddaughter, Olivia, to playgrounds outside the area and thought we should have a local all-inclusive playground. We agreed, and after the swings were installed in July 2018, we held a dedication event to celebrate the occasion. Olivia, along with grandparents Don and Marie Allison, Olivia's parents, April and Marco Alvillar, Olivia's brothers and PRM Director, Gerardo Mouet, joined us for the ribbon cutting. To the Allison and Alvillar families, we offer our deepest condolences, and we thank you for sharing Olivia's story with our community. The inspiration she provided will live on as we build more all-inclusive playgrounds throughout the city. At Los Altos Park, where it all started, our plan is to erect a plaque that will forever read, "Olivia's Swing".
