

FRIENDLY NEIGHBORS, SAFE COMMUNITIES & CIVIC RESOURCES

Councilwoman Megan Kerr was sworn into office on Tuesday, December 20, 2022. Her life has been devoted to civic improvement. A highly respected leader, Megan was an active volunteer and community advocate before

winning a seat on the Long Beach Unified School District in 2014. Having served two terms on the School Board, she now looks forward to bringing her leadership, her work ethic, and her passion for public service to the critical work of shaping a strong, sustainable future for Long Beach.

No one better understands the interests and priorities that impact community health, public safety and the quality of life in the 5th District than Megan. She's been part of this community her entire life. Born and raised in Bixby Knolls, she attended St. Anthony High School and Long Beach City College before receiving her Bachelor of Arts degree in Sociology from Cal Poly Pomona.

Megan leads with integrity, with vision, and with compassion. She knows that people and ideas are a powerful force. As she has done throughout her life, Megan will work hard every day to ensure that this community she knows and loves will thrive and prosper for many years to come.
