CUSTOMER TERMS AND CONDITIONS

Host Customer and System Owner Attestations/Certifications:

In signing this form, System Owner and Host Customer certify that the Project meets all eligibility requirements and that the System Owner and Host Customer agree to abide by the rules and requirements set forth in the Program Handbook. Host Customer and System Owner acknowledge and understand that this form constitutes a request for incentive funds, the availability of which are subject to change, and that incentive funds are not reserved for this Project until the Host Customer and System Owner receive written verification that this application was accepted as complete and accurate and that funds were reserved.

The Host Customer and System Owner are committed to completing this Project, and by signing below, are stating their intent to contract with any individual(s) necessary for completion of the Project. The Host Customer is the reservation holder and reserves the right to submit new project specifications, including a new Applicant designation, upon withdrawal from the Project and cancellation of this Agreement. The Host Customer and System Owner declare under penalty of perjury under the laws of the State of California and the City of Long Beach that 1) the information provided in the Reservation Request Form is true and correct, 2) the above-described solar thermal system is new and intended to offset part or all of the Host Customer's water heating needs at the site of installation.

Where an APPLICANT (Contractor/Self-Installer) has been separately identified on the Reservation Request Form/ the Applicant certifies under penalty of perjury that the information provided on this form is true and correct.
