As a reminder, please continue to provide electronic copies of all craft request forms used to request workers from the union hall to the PLA Administrator.

Please note that the submitted payroll has only been reviewed for the requirements of the PLA and it has not been reviewed for the purposes of Labor Compliance and Prevailing Wages. Those requirements are reviewed by the City of Long Beach’s Labor Compliance Consultant.

In accordance with the City of Long Beach’s Project Labor Agreement, Article 5, Section 5.2 Benefits, Section (c), “Each Contractor and subcontractor is required to certify to the PLA Administrator that it has paid all benefit contributions due and owing to the appropriate Trust(s) prior to the receipt of its final payment and/or retention. Further, upon timely notification by a Union to the PLA Administrator, the PLA Administrator shall work with any prime Contractor or subcontractor who is delinquent in payments to assure that the proper benefit contributions are made, to the extent of requesting the City or the prime contractor to withhold payments otherwise due to such contractor, until such contributions have been made or otherwise guaranteed.”
