HOUSING AUTHORITY OF THE CITY OF LONG BEACH
REQUEST FOR PROPOSALS (RFP)
For
PROJECT BASED VOUCHERS

INTRODUCTION

The Housing Authority of the City of Long Beach (Housing Authority), funded by the U.S. Department of Housing and Urban Development (HUD) provides rental assistance to very low-income families enabling them to rent decent, safe, and affordable housing. The Housing Authority administers the Housing Choice Voucher Program, commonly known as Section 8 for the City of Long Beach. The program receives roughly \$98 million dollars in funding on an annual basis through the U.S. Department of Housing and Urban Development (HUD) and has an allocation of approximately 7,500 vouchers.

The shortage of available affordable rental units in the area has resulted in participants of the Housing Choice Voucher program being unable to utilize their voucher. Studio, one-bedroom and two-bedroom units are needed. Because of this the Housing Authority is issuing this Request for Proposals (RFP) seeking proposals from owners and/or developers for Project-Based Vouchers (PBV) available under the Department of Housing and Urban Development Housing Choice Voucher program. Up to 200 Project Based Vouchers are available under this RFP. Proposed units must be within the jurisdiction of the Housing Authority of City of Long Beach. The Housing Authority intends to award Project Based Vouchers to more than one Respondent.

Existing units, substantial rehabilitation projects, and new construction projects are all eligible for consideration but contracts for existing housing may not commence before May 2023. Applications for studio, one-bedroom and two-bedroom units which will be used as Permanent Supportive Housing units, those with city entitlements or an application submitted for city entitlements, and units located in areas of opportunity will be prioritized.

Through this RFP, the Housing Authority will offer an allocation of Project Based Vouchers to be committed for designated rental units. Successful Respondents will be offered a contract with an initial term of up to twenty (20) years and an automatic renewal term of 20 years.

This request for proposals (RFP) is established pursuant to Title 24, Chapter IX, Part 983 of the Code of Federal Regulations Project Based Voucher Program Final Rule published in the Federal Register on October 13, 2003, Changes to the Section 8 Project Based Voucher Programs Final Rule published on June 25, 2014, and the Housing Opportunities Through Modernization Act of 2016.

All proposals submitted in response to this solicitation must conform to all the required specifications outlined within this document and any designated attachments in its entirety.

Proposals must be received no later than 4:30PM. December 7, 2022, in accordance with the submission instructions included within this Request for Proposals.

B. Project Description

The U. S. Department of Housing and Urban Development (HUD) allows Housing Authorities to attach up to 20% of its Section 8 Housing Choice Voucher program funding to specific housing units by project-basing vouchers. In contrast to the tenant-based voucher program, a housing subsidy will remain connected to the unit after a tenant moves out of the unit. The owner must agree to rent the unit to eligible tenants for the duration of the Housing Assistance Payments (HAP) contract.

The Housing Authority is making 200 Project-Based Vouchers available to property owners and developers through a competitive process in accordance with the requirements included within this Request for Proposals (RFP). The RFP solicits the participation of owners who request Project Based Vouchers assistance for either existing, rehabilitated, or new construction. For purposes of this program, a housing unit is existing if at the time of notice of selection, the unit requires less than \$1,000 per unit of rehabilitation in order to comply with HUD's HQS. The Housing Authority intends to select multiple projects under this RFP if the total number of vouchers committed does not exceed 250.

Each point consideration will apply to proposals for studio, one-bedroom and two-bedroom units which will be used as Permanent Supportive Housing units, those with city entitlements or an application submitted for city entitlements, and units located in areas of opportunity and units for which the proposer agrees to accept vacancy referrals from the Long Beach Coordinated Entry System if families are experiencing homelessness.

C. Application Requirements

As part of the City's Consolidated Plan to 1) provide and expand affordable housing opportunities to moderate and low income families by promoting the development and rehabilitation of low-income housing throughout the City and 2) to deconcentrate poverty in the community, the Housing Authority will review all applications for Project Based Vouchers (PBV) submitted by the deadline. Before selecting projects, the Housing

Authority will determine that each application is responsive to the selection criteria and procedures included in this RFP and Chapter 17 of the Housing Authority of the City of Long Beach Administrative Plan, and in compliance with HUD program regulations at 24 CFR 983.
