- Nursing homes, skilled nursing facilities, and assisted living facilities are collectively known as long-term care facilities (LTCF).
- This list is not intended to suggest neglect or wrongdoing on the part of the facility.
- Facilities with two or fewer cases in either a resident or staff worker are not listed in order to protect patient privacy.
- The Health Department monitors LTCF with active cases. Cases include both facility residents and staff members who may not reside in Long Beach. All Long Beach residents are included in the total confirmed cases on the COVID-19 digital dashboard.
