Department of Health and Human Services  
Community Resources List

20-Dec-13 *Kelley Cologon*

This document lists community resources by key health topics to assist Health Department staff, community partners, stakeholders, and service providers to link families and individuals to services and resources they need to live healthy, productive lives. The list is updated annually and upon receipt of new information from the community. The list of resources was compiled during the development of the Community Health Assessment (CHA) and was used by the Community Health Improvement Plan (CHIP) Task Force in identifying key strategies, resources and partners that can be harnessed to improve the health and quality of life of Long Beach residents.

**To report any changes or additions to the list, please contact, Cheryl Barrit at (562) 570-7920 or via email at [Cheryl.Barrit@longbeach.gov](mailto:Cheryl.Barrit@longbeach.gov)**
