Smith, Leslie - McCormick LA
Smolen, Michael – Harbor Dental Society
Thompson, Jason – LBDHHS
VanderLaan, Marie – LBDHHS CHDP

	Discussion	Action items
Call to Order	Dr. Smollen called the meeting to order at 12:10 and introduced Dr. Gary Glasband representing CDA Cares.	
CDA Cares **July 17 & 18, 2020** **Long Beach**	Dr. Glasband shared a PPT presentation about the CDA Cares event. - The event involved 800 volunteer dentists - 1200 community volunteers - Treats about 1900 people in two days. - 100 dental chairs - The purpose is … o to treat the underserved o improve overall health o attract media attention o educate policy makers	Read more at www.CDAFoundation.org Facebook/com/CDACares #cdacares OHLB can help promote the event - Flyers to schools, emergency rooms, for

	o advocate. - Services provided include: cleanings, fillings, extractions, stay plates, root canals in front teeth, cancer screenings including biopsies, pediatric oral care, dentures (since 2014), blood pressure check to make sure they are treatable. provide resources for finding a local source of ongoing dental care, provide information on low- or no-cost local dental care. - The cumulative impact of CDA Cares totals $23.66 million, serving 28,580 people. - Findings from the event's exit interviews show that 83% say that they had no insurance; 10% only go to ER for dental care; 32% have visited the ER 2-4 times. - Funding: the event's budget is $300,000. CDA backstops the event with the majority of the funds coming from donations, sponsorships, grants, in-kind donations, County and local community volunteers. - Community Outreach will focus on schools. local city councils and county board of supervisors. Questions and Answers - OHLB can have a presence – also smoking cessation, homeless services (usually about 3% of the services are to homeless individuals), insurance enrollment - CDA Cares usually services 5-10% children, but there is more emphasis on children in Long Beach because of OHLB. o Working with Miller Children's for Advocacy o Working with the Children's Dental Health Clinic for fundraising. o OHLB can help line-up speaking engagements - People can show up on Thursday for an assessment and receive a wristband for Friday to receive services. - CDA has meta data, HIPAA data, can have x-rays with they leave but usually do not take them, people sign releases so follow-up is possible. o Anthony Ly suggested that he could work with consortiums for enrollment and see who is already enrolled in insurance. - CDA would like to have the funding lined-up by December 2019.	Advisory Committee members to share - Broadcast – including Spanish-speaking stations (Telemundo, Univision) - Billboard (electronic on the 405) - Buses (LBT internal signage) - Radio – PSAs and interviews - Social media ads - Translate promotional materials into Khmer - Press relations assistance - Exit interviews (do you have Medi-cal? If so, Medi-cal Dental? Did you know you had dental coverage?)- *Research the viability of looking up their coverage at the event*. - Recruiting colunteers (18 and older) - Speakers bureau (Rotary, Lions, Kiwanis, Soroptimists) - Ensure that we can enact sanctuary City norms at the event. - (Data collection could be a grad school student) - Libraries - Community bulletin boards

Assistance League Orthodontia Clinic	Nancy Lewis, a member of the Assistance informed the committee they are expanding their services with a new orthodontia clinic (one-stop shop for orthodontia). - They offer care on a sliding scale from $55-$90 - Children are referred by school nurses in LBUSD. - They hold six screenings per year that assesses the child's need and financial status. - The new clinic will open in December adjacent to the Assistance League's offices on Spring Street, west of Palo Verde.	
Introductions	The members introduced themselves and their respective organizations.	
CHIP & Eval Plan Update	Leslie Smith informed the Committee that the OHLB Community Health Improvement Plan (CHIP) came back from the state with just a few adjustments, adding an executive summary to the beginning and "next steps" to the end, and offered some suggestions to rephrase the objectives to make them more concise. The members were given a handout with the Goals and Objectives of the CHIP. The Eval plan needs to be re-worked following a template from the state. It is in progress and will be re-submitted to the state Office of Oral Health (OOH).	
Activity Closure Report Review	The members were asked to review a draft of an "Activity Closure Report" that would be used as an evaluation tool for community outreach events and activities. The group suggested ways to make the form more specific. *See the amended version attached to these minutes.*	
Partners	Moving forward with implementation, Leslie asked the Advisory Committee to review the list of Stakeholders developed in the November 5, 2018 meeting and add to that list if necessary to meet the Goals & Objectives of the CHIP and the Workplan. The group members suggested that we make sure to include private businesses and dental offices (on the list), and add City Council Aides or Chiefs of Staff, organizations that work with children in Foster Care (ChildNet, Olive Crest, DCFS, Orangewood, etc.), and Centro Cha.	Leslie to add to list.
Formation of Workgroups	The group was presented with an organizational chart that included five workgroups that would help fulfill the tasks moving forward. The workgroups are: School Workgroup, Evaluation, Programmatic, Policy, and the balance of the Advisory Committee members would serve as at-large members and support the other workgroups. The group requested that they review this and discuss it at the next meeting	Advisory Committee members to review the workgroups and consider committing to one or more workgroup. Suggestions for changes to the descriptions are also welcome. (See attached)

Approval of the Minutes	The group reviewed the minutes from the June 5, 2019 meeting. Susana Aceves attended and was not listed.	
Next Steps	Advisory committee members agreed to meet October 14, noon-2 pm**.** Think about a tagline for the plan to be discussed at the next meeting	
Closing	Adjourned at 2:00 pm	

ACTIVITY CLOSURE REPORT

ACTIVITY INFORMATION

Name & Title: _____ Number of Staff: _____

Number of Children: _____ Number of Volunteers _____

Number of Adults: _____ Number of Interns: _____

Activity Name: _____ Activity Location & zip code: _____

Activity supports this objective:

To be completed by OHLB Coordinator or Evaluator

Date & Time of day: _____ Duration of Activity: _____

Topic: __ Children's Prevention __ Teen or Adult Education __ Awareness of Services/Benefits

Event Type:
__ Elementary School Visit
__ Middle School Visit
__ High School Visit
__ Children's Community Event
__ Pregnant Women Event
__ Homeless Services Event
__ Older Adults Comm Event
__ Other

ACTIVITY DESCRIPTION

SUGGESTION FOR FUTURE ACTIVITIES

I suggest in the future:

Should OHLB participate in this event or activity again? __Yes __No
Why or why not?

Action Items to Follow Activity (if applicable):

1.
2.
3.
4.

ORGANIZATIONAL CHART

OHLB COORDINATOR Maria Sanchez				
ADVISORY COMMITTEE **Acosta, Jenny – LBUSD Head Start** **Boatwright, Christina – HHS Early Childhood** **Campbell, Stephanie – Delta Dental** **Carbajal, Lucy – Student Health Services, LBUSD** **Cardenas, Veronica – HHS Nursing** **Chork, Nim – Families in Good Health, St. Mary Medical Center** **Cortez, Santos – Harbor Dental Society** **Garcia, Edith – Delta Dental Provider Rep, State Government Programs** **Hartlaub, Alyssa – Childhood Lead Poisoning Prevention Program** **Ly, Anthony – HHS MCO** **Petrillo, Jean – Children's Dental Health Clinic** **Pham, Pauline – HHS Public Health Nurse** **Quinteros, Jorge – Western Dental** **Riano, Nancy – HHS Nursing** **Sanchez, Maria – HHS OHP** **Shah, Puja – Western Dental** **Smith, Leslie – Consultant, McCormick LA** **Smolen, Michael – Harbor Dental Society** **Tello, Eipryl – HHS Tobacco Education Program** **Temple, Susan – Health Curriculum Leader LBUSD** **Thompson, Jason – HHS Data Analyst** **VanderLaan, Marie – HHS Child Health and Disability Program**				
SCHOOL WORKGROUP Works with LBUSD, Head Start to increase the number of dental assessments that are turned in throughout the year and with Big Smiles to ensure assessments are occurring at the most vulnerable pre-school and elementary schools	EVALUATION WORKGROUP Compiles event closer reports and compares data to workplan and ultimately the CHIP. Every other year assists with the collection and compilation of the community surveys. Recommends partners who support OHLB's goals and objectives.	PROGRAMMATIC WORKGROUP Helps support development of and/or promotion of oral health events or programs that support OHLB's goals and objectives. For example, CDA Cares in July of 2020, enlisting more providers in Smile, California.	POLICY WORKGROUP Monitors policy agenda of CDA, Harbor Dental Society, and other local entities and recommends advisory committee of pending legislation that impacts OHLB's efforts. Specifically focused on legislation that impacts the regulation of products that negatively impact the populations' oral health (sugar, tobacco, cannabis, etc.) and funding for dental health insurance.	AT-LARGE MEMBERS General members of the Advisory Committee who attend all Advisory Committee meetings and participate in tasks of other workgroups or tasks that are outside the scope of the other workgroups as needed.
