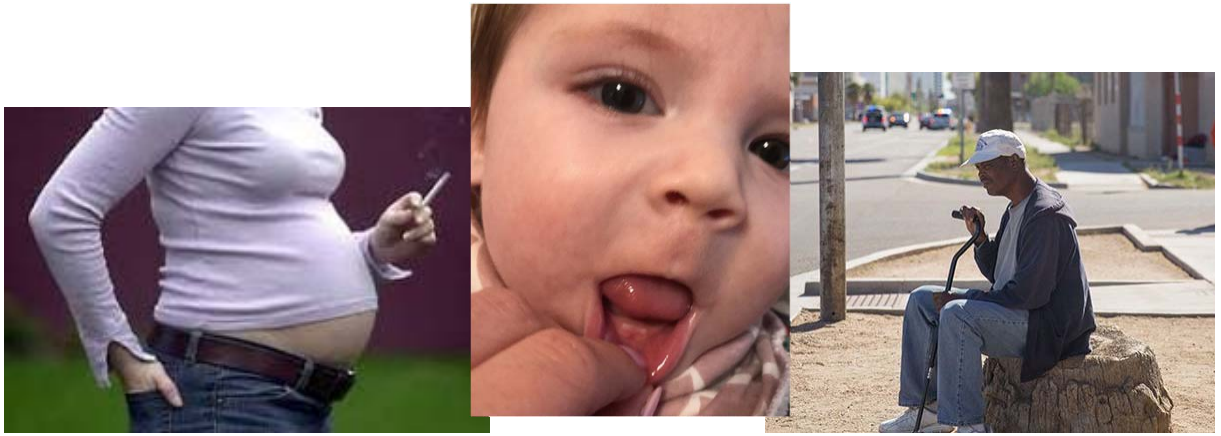
Advisory Committee

CALIFORNIA ORAL HEALTH STATUS

- Oral diseases are highly prevalent in all stages of life.
- Disparities are persistent.
- Effective preventive measures are available, but are underutilized.



GOALS

- State Goal - To create and expand capacity at the local level to educate and prevent dental disease, including dental disease caused by the use of cigarettes and other tobacco products. This includes providing linkages to dental treatment programs and tobacco cessation.
- Long Beach - To improve the overall oral health in the City of Long Beach by building partnerships and an environment that supports good oral health, and prioritizing underserved areas and populations.

LONG BEACH ORAL HEALTH PROGRAM

Grant term is a 5 year term – January 1, 2018 through June 30, 2022

The 5 year term has 2 phases:

- Phase I (Planning): January 1, 2018 through 2019
- Phase II (Implementation): January 1, 2019 through June 30, 2022

WORK PLAN 2018-2022

Objective 1: Build capacity and engage community stakeholders to provide qualified professional expertise in dental public health.

Objective 2: Assess and monitor social and other determinants of health available, with a special focus on underserved areas and vulnerable population groups.

Objective 3: Identify assets and resources that will help address oral health needs.

Objective 4: Develop a Community Health Improvement Plan and Action plan.

Objective 5: Develop an Evaluation Plan to monitor and assess the progress and success of the local oral health program.

Objective 6: Implement evidence-based programs to achieve the California Oral Health Plan Objectives.

Objective 7: Work with partners to promote oral health by developing and implementing prevention and healthcare policies and guidelines for programs.

Objective 8: Address common risk factors (tobacco and sugar) for oral and chronic diseases, and promote protective factors.

Objective 9: Create and expand existing local oral health networks to achieve oral health improvements.

Complete the statement, "*Because of us* …"

MISSION

~ What we stand for, and doing work that matters

Create a story that demonstrates what it looks like when OHLB is providing its best work

Example (different initiative):

"In Central Long Beach*, we helped the Martinez family enroll in a Welcome Baby program which supported Mrs. Martinez and her newborn baby by providing a parent coach who could answer her questions and offer her mothering advice so she became a confident and competent mother raising a baby in a safe environment."*

CIRCLE ANY SPECIFIC PLACE OR PERSON(S)

EXAMPLE:
