Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2023 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2022 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
- Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2021 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2023 CoC Competition.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.

a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.

b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

1. Is this renewal project application requesting to consolidate or expand? No

1. Provide a description that addresses the entire scope of the proposed project.

Interval House’s (IH) project will serve domestic violence (DV) victims with and without children experiencing homelessness in Long Beach. From 2020 to 2022, the number of people who became unhoused after fleeing DV increased by 89% in Long Beach (2022 PIT Homeless Count). Nearly half (47%) entered homelessness for the first time and local providers reported a 123% increase in sheltered homelessness. IH’s project will provide transitional housing and flexible supportive services to help survivors strengthen stability for success in permanent housing, including case management; mental health; individualized housing and service plans; housing search and placement; employment assistance; legal services; securing basic resources and mainstream benefits; children’s services; transportation; etc.

The project will serve an estimated 6 households (18 individuals) at maximum capacity at a single point in time by household type (actual numbers may vary based on individual household needs & composition).

IH will align our housing and homeless services with federal, state, and local guidelines and work with LB CoC, CES, MSC, and other area providers to coordinate services/referrals, avoid service duplication, improve system performance, and increase service access. IH maintains operational agreements with 100+ local partners and conducts presentations and training with media, law enforcement, social service providers, and housing programs to increase awareness about DV and housing resources. CoC funding will help an estimated 6 homeless DV households in Long Beach achieve safety and housing stability through transitional housing (18 beds) and individualized supportive services.

The project will be measured with the following performance objectives: 1) Number of persons served; 2) Percent of participants exiting to PH; 3) Percent of participants exiting with some increase in total income (earned plus benefits); 4) Number of persons exiting with unknown destination; 5) Length of time person remains in project; 6) Occupancy rate; 7) Number of persons exiting with no financial resources; 8) Cost effectiveness.

6A. Funding Request

VAWA Budget

New in FY2023, the Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:

- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements. Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:

- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the combined estimated amount(s) you are requesting for this project's Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories on the summary budget screen. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

1. Will this project use funds from this grant to provide for emergency transfer facilitation, which includes the costs of assessing, coordinating, approving, denying and implementing a survivor’s emergency transfer per Section III.B.4.a.(3) (a) of the NOFO? No

2. Will this project use funds from this grant to provide for VAWA confidentiality requirements, which includes the costs of ensuring compliance with the VAWA confidentiality requirements per Section III.B.4.a.(3) (b) of the NOFO? Yes

3. Does this project propose to allocate funds according to an indirect cost rate? Yes

Indirect cost rate proposals should be submitted as soon as the applicant is notified of a conditional award. Conditional award recipients will be asked to submit the proposal rate during the e-snaps post-award process.

Applicants with an approved indirect cost rate must submit a copy of the approval with this application.

a. Please complete the indirect cost rate schedule below:

Cognizant Agency	Indirect Cost Rate	Direct Cost Base	Plan approved by cognizant agency or will use 10% de minimis rate
NA	10%	\$77,834	Will use 10% de minimis rate

4. Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited: 1 Year

5. Select the costs for which funding is requested:

Leased Units	<input type="checkbox"/>
Leased Structures	<input checked="" type="checkbox"/>
Rental Assistance	<input type="checkbox"/>
Supportive Services	<input checked="" type="checkbox"/>
Operating	<input type="checkbox"/>
HMIS	<input type="checkbox"/>

The VAWA BLI is permanently checked. This allows any project to shift funds up to a 10% shift from another BLI if VAWA emergency transfer costs are needed.

secretary, say:

We are the duly qualified and acting president and
secretary, respectively, of INTERVAL HOUSE, a Califor-
nia nonprofit corporation designated as a "public benefit"
corporation under the California Corporations Code. We have
been duly authorized by the Board of Directors of the
corporation to file this officers' certificate of amendment
to the Articles of Incorporation.

3

On January 25, 1980, a meeting of the Board of
Directors was duly held at 7136 Little Harbor Drive, Hunting-
ton Beach, California. At the meeting, the board deemed it to
be in the best interests of the corporation to amend the
Articles of Incorporation and adopted the following resolutions:

RESOLVED, that Article II of the Articles of
Incorporation shall be amended by adding subparagraph "d"

"d. Notwithstanding any other provision of
these articles, the corporation shall not carry on any
other activities not permitted to be carried on
(a) by a corporation exempt from Federal Income Tax

under section 501(c)(3) of the Internal Revenue Code of 1954 (or corresponding provision of any future United States Internal Revenue law) or (b) by corporation contributions which are deductible under section 170(c)(2) of the Internal Revenue Code of 1954 (or corresponding provision of any future United States Internal Revenue law) ."

RESOLVED, FURTHER, that Article III of the Articles of Incorporation shall be amended by striking the last sentence thereof which now reads, "It is organized for nonprofit purposes," and adding thereto the following sentence:

"This corporation is organized exclusively for charitable purposes within the meaning of section 501 (c) (3) of the Internal Revenue Code of 1954."

Said amendments have been duly approved unanimously by the Board of Directors of the corporation.

The amendments may be adopted with the approval of the board alone, based on the fact that the corporation has no members, as members are defined in the California corporations Code. These amendments are not ones which require the approval of any other person or persons.
