Section III - Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

Section IV - Nondiscrimination

- A. The parties mutually recognize and agree to fully protect the rights of all employees to join and participate in the activities of the Association or to have the Association represent them in their employment relations with the City. It is further agreed that nothing herein shall prohibit an employee from representing himself/herself individually or appearing on his/her own behalf with the City. No employee shall be intimidated, coerced, restrained, or discriminated against because of the exercise of these rights.

- B. The provisions of this MOU shall be applied equally to all employees, and no person shall be benefited or discriminated against in any manner which is inconsistent with the standards set forth in federal and California statutes or with any ordinance, resolution, or rule of the City. Alleged violations of this Section (IV-B) are not grievable under the Grievance Procedure. An employee may pursue alleged discrimination through Equal Employment Opportunity procedures established by the Department of Human Resources, and shall be entitled to pursue California or federal statutory rights.

Section V - Employee Organizational Rights and Responsibilities

The City shall notify the Association and provide a copy of the Classification Specification for new classifications or changes to existing classifications represented by the Association not less than ten (10) working days prior to consideration by the Civil Service Commission.

C. Representational Time-Off

The City shall allow Association representatives reasonable time off without loss of compensation while formally meeting and conferring with representatives of the City on matters within the scope of representation as defined in the Government Code, or as may be required under Article VII, Grievance Procedure.

Each fiscal year, the Association shall receive a bank of 50 hours to be used for general Association business.

D. Posting and Dissemination of Information

1. Reasonable space will be provided for the Association to post official notices.
2. With reasonable notice, authorized Association representatives shall be given access to work locations to disseminate information. Reasonable notice shall be understood to be 24 hours.

The City shall provide this file to the Association at their request a maximum of four times a year.

Section VI - City Obligations and Responsibilities

A. City Obligations

The City reserves, retains, and is vested with all rights to manage the City. The constitutional, statutory, charter, or inherent rights, powers, authority, and functions shall remain exclusively vested with the City. These rights include but are not limited to the following:

1. To manage the City.
2. To determine the necessity, organization, and standards to implement any service or activity conducted by the City.
3. To recruit, select, hire, evaluate, promote, and discipline.
4. To determine and/or change the City facilities, methods, technology, equipment, and apparatus.
5. To determine and/or change the size and composition of the City work force and assign work to employees.
6. To determine the issues of public policy and the overall mission of the City.
7. To maintain order and efficiency in City facilities and operations.
8. To establish and promulgate and/or modify rules and regulations, policies and procedures related to safety and health in the City, and to require compliance therewith.
9. In the case of an emergency (act of God, war, or riot), suspend the provisions of this Agreement.
10. All rights, powers, authority, and functions of management, whether heretofore or hereinafter exercised, shall remain vested exclusively with the City.

B. Definition of City Obligations

The intent of the parties to this MOU is that the contractual attempt to define City obligations and responsibilities does not, and is in no way intended, to diminish the rights of the Association.

The Association reserves, retains, and is vested with all rights applicable under California and/or federal law or as contained in this MOU.

Section VII - Amendments to Personnel Policies and Procedures and Departmental Rules and Regulations

It is understood and agreed that there exists within the City, in written form, personnel policies and procedures and departmental rules and regulations. Employee wages and fringe benefits will not be reduced unless agreed to by the Association.

Section VIII - Peaceful Performance of City Services

This shall include the withholding of services or other interference with City operations, including compliance with the request of other employees and/or labor organizations to engage in said activities.

In the event of such activities, the Association shall immediately instruct any person engaging in such conduct that they are violating this agreement, and they should immediately cease and resume full and faithful performance of their job duties.

ARTICLE TWO
SALARIES AND COMPENSATION

Section I - Classifications - Pay Rates - Salary Increases

A. Listing of Classifications and Rates of Pay

Every person appointed to the classifications identified in Appendix A shall receive as full compensation for his/her services, together with any other form of compensation provided for in this MOU, the salaries computed in accordance with the Pay Rate Schedule A established for such classifications as set forth in Appendix B attached.

B. General Salary Increase

Salary Ranges

1. While there exists salary inequity issues with like classifications in a different Association that has a current contract agreement, and while these inequities will continue to increase and thus create recruitment and retention difficulties for LBACE represented positions, the Long Beach Association of Confidential Employees recognizes the City's current financial situation and, therefore, agrees that there will be no general salary increases for the term of this agreement.

The provisions of Article Two, Section I.B. shall not be subject to Article Seven, Grievance Procedures, of the MOU.

C. Step Advancement

1. Performance Increases

Step increases will be based on performance as set forth below:

2. Step Advancement

Subject to satisfactory performance, as set forth in Section 3 below, after an employee has served an initial six-month period of employment in a position at a pay rate designated as Pay Rate Step 1 in the salary schedule established by Section 2 of this resolution, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 2; after a second six-month period of satisfactory performance of employment, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 3; and after another six-month period of satisfactory performance Pay Rate Step 4. Thereafter, the pay rate of such employee shall successively be at the applicable pay rate respectively

designated as Pay Rate 5, 6, or 7 upon his/her successive completion of a one-year period of employment at the preceding pay rate. If the initial salary of any employee has been specifically designated at a pay rate other than Pay Rate Step 1, 2 or 3, his/her pay rate thereafter, shall, upon his/her successful completion of a one-year period of employment at that pay rate, be at the next successively higher applicable Pay Rate Step.

3. Performance System

As set forth in C.2. above, an employee will advance to the next step of the salary schedule if he/she receives a Meets Job Requirements rating on the majority of the rating factors on the Employee Performance Appraisal form developed and administered by the Civil Service Department. The ratings will be based on the most recently completed Employee Performance Appraisal form.

In the event the employee does not receive an overall Meets Job Requirements rating, the employee will not advance to the next successive step. No later than six-months after the original date the step increase was due, the employee will be re-evaluated. If the employee receives an overall Meets Job Requirements rating, he/she shall be advanced to the next successive step. He/she will receive their next step increase in accordance with the provisions of item C.2. above, i.e., either six-months or one year. In the event the employee does not receive an overall Meets Job Requirements rating, he/she will remain on their current step until such time they receive a new evaluation and a Meets Job Requirements rating.

If an employee's Performance Appraisal form is not completed within thirty (30) calendar days after the step increase is due, the employee will advance to the next step retroactive to the date the step increase was scheduled.

4. Appeal Process

If an employee does not receive a step increase because of his/her performance rating, he/she may appeal the rating as follows:

- a. A complaint shall be presented orally or in writing directly by the employee to the immediate supervisor within ten (10) working days from the date the employee signs the Employee Appraisal form, which acknowledges that the employee has read and reviewed the rating. The immediate supervisor will respond back to the employee within ten (10) working days from the date the complaint was received.
- b. If the employee is dissatisfied with the results of the supervisor's response, he/she may appeal the matter to the Department Head or designee, ten (10) working days from the oral or written response from the supervisor regarding

the rating. The Department Head or designee will respond to the employee within ten (10) working days from receipt of the complaint.

- c. If the employee is dissatisfied with the response from the Department Head or designee, the employee may proceed by written request to the Director of Human Resources within ten (10) working days from the date of decision of the Department Head.
- d. If the matter is submitted to the Director of Human Resources, he/she shall review the matter within twenty (20) working days after receipt of the written request from the employee. The Director of Human Resources, or designee, shall hold such hearings and conduct such proceedings as may be necessary, but such hearings and proceedings shall be conducted in an expeditious and confidential manner with the involved parties only. Employees called as witnesses shall be released from duty as needed.
- e. The findings of the Director of Human Resources shall be transmitted only to the parties to the dispute within ten (10) working days from the date of the hearing or proceeding. The decision of the Director of Human Resources or designee shall be final and binding upon all parties and is not subject to the grievance procedure.
- f. In all of the above steps, the employee is entitled to the same representation as provided for in the grievance procedure.

D. Deferred Compensation

The City will contribute \$75 per month for all permanent members of the Association.

Section II - Overtime

1. An employee who is non-exempt under FLSA may continue to bank or be paid overtime at time and one-half for overtime hours worked in excess of 40 paid hours (excluding sick leave) in a work week up to 60 work hours. Hours charged to sick leave shall not be considered when determining premium pay under the provision of the FLSA. However, if the employee has actually worked more than 40 hours in the work week, banking is not permitted for hours that exceed 40 work hours. The employee can only be paid time and one-half for that time actually worked over 40 work hours. In the event that the Department of Labor's rules and regulations are amended to give the City control over scheduling off the FLSA compensatory time so as not to require replacement personnel, the parties will agree to reopen this section of the MOU.
2. Banked time-off hours shall be allowed at such time or times mutually agreeable to both the employee and his or her Department Head; however, such time off may not be granted if it results in the disruption of departmental operations, or in the pay period in which it is earned. Banked time-off hours must be taken no later than the last full pay period in the fiscal year. All banked time off hours not taken off in

accordance with the above shall be paid to the employee the last pay period of the fiscal year, or prior to a general salary increase.

3. Banked overtime credits shall not exceed 60.0 expanded hours for any employee at any one time.
4. Paid sick leave will be excluded from overtime calculation when determining premium pay under the provisions of the Fair Labor Standards Act.

Section III - Skill Pay

Section IV - Higher Classification Pay

Each employee who is required to perform the full range of duties in a higher-level classification or grade level position that is vacant, up to and including division manager, shall be paid an additional eighty cents (\$0.80) per hour providing the following conditions are met:

1. The employee who is assigned the higher-level duties of the vacated position must work at least forty (40) consecutive hours once per fiscal year in said position in order to qualify for the higher classification pay.
2. The higher-level duties performed must be those of a permanent budgeted position that is vacant, either temporarily because of absence of the regular employee or vacant due to resignation, termination or other such action.
3. In no event shall the total compensation paid to the employee for regular salary and higher classification pay exceed the top step of the higher classification or grade level.
4. The temporary appointment to the higher classification must be approved by both the Department Head or designee and the Director of Human Resources.

Section V - Call Back

Employees who are called back to work after completion of their regular shift shall receive 2 hours minimum at time and one-half, or 1-hour travel time plus time actually worked, whichever is greater.

1. 0.5 hours worked
2.0 travel time (1.0 hour travel time)

2.5 total time = 2.0 hours paid (minimum)

2. 0.5 hours worked
1.0 travel time
 1.5 total time = 2.0 hours paid (minimum)
3. 2.5 hours worked
1.5 travel time (1.0 hour travel time)
 4.0 total time = 3.5 hours paid
4. 2.0 hours worked
0.5 travel time (1.0 hour travel time)
 2.5 total time = 3.0 hours paid

NOTE: Call-back duty occurs when off-duty personnel are unexpectedly ordered to return to duty because of unanticipated work requirements. Section VII - Professional/Technical Training

Each member of the bargaining unit shall have available to them up to \$500 per year that may be used to attend professional or technical training related to their job. The \$500 shall include any expenses related to travel and registration for the training. Training programs must be scheduled with the approval of the appropriate manager.

- B. The employee is assigned to a position that has been determined by a Department Head to benefit from bilingual ability, and to have frequent or significant interactions with the public for the majority of the employee's regular, daily course of duty. Bilingual skill pay will be provided for employees who have skills in American Sign Language when their interaction with the public is in person, face-to-face.

Employees who meet all the criteria shall be paid an additional seventy cents (\$0.70) per hour, or five dollar and sixty cents (\$5.60) per diem. The program shall be governed by the procedures outlined in the Personnel Policy and Procedure regarding Skill Pay.
