MEMORANDUM OF UNDERSTANDING

Section I – Parties of Memorandum of Understanding

This Memorandum of Understanding (“MOU” or “Agreement”) is made and entered into by and between the City Of Long Beach, a Municipal Corporation (“City”), and the Long Beach Association of Engineering Employees (“Association”) pursuant to Government Code Sections 3500 et seq.

Section II – Recognition

The City hereby recognizes the Association as the exclusive representative for those employees employed by the City in the classifications referenced in Appendix A of this MOU, subject to the applicable provisions of the law.

Section III – Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU; to set forth the understanding of the parties reached as a result of good faith negotiations.

Section IV – Nondiscrimination

- A. The parties mutually recognize and agree to fully protect the rights of all employees to join and participate in the activities of the Association or to have the Association represent them in their employment relations with the City. It is further agreed that nothing herein shall prohibit an employee from representing themselves individually or appearing on their own behalf with the City. No employee shall be intimidated, coerced, restrained, or discriminated against because of the exercise of these rights.
- B. The provisions of this MOU shall be applied equally to all employees, and no person shall be benefited or discriminated against in any manner which is inconsistent with the standards set forth in federal and California statutes or with any ordinance, resolution, or rule of the City. Alleged violations of this Section (IV-B) are not grievable under the Grievance Procedure. An employee may pursue alleged discrimination through Equal Employment Opportunity procedures established by the Department of Human Resources or Civil Service and shall be entitled to pursue California or federal statutory rights.

Section V – Employee Organizational Rights and Responsibilities

A. Dues and Benefit Deductions Program

During the term of this MOU, upon receipt of a Payroll Deduction Request Form, the City shall deduct Association dues and benefit program premiums from the pay of employees represented by the Association. The form for this purpose shall be provided by the City and the amounts to be deducted for Association dues and benefit program premiums shall be sent to the City via e-mail or hard copy by the designated Association official. For Association dues deduction requests, the employee signature will not be required. The City shall charge the Association for each employee five and one-half cents (\$.055) per deduction for Association dues and five and one-half cents (\$.055) per deduction for all other deductions. The deductions shall be made twice a month.

The Association hereby agrees to indemnify and hold the City harmless for any loss or damages, claims, or causes of action, arising from the operation of this provision of the Agreement.

B. Association Representatives

The Association shall submit a current list of Association representatives (Board Members and alternates) to the Director of Human Resources (“Director”). Any changes to this list shall be submitted to the Director within ten (10) working days following such changes.

C. Notification of Job Classification Changes

The City shall notify the Association and provide a copy of any proposed changes in the duty statement for existing classifications represented by the Association not less than ten (10) working days prior to consideration by the Civil Service Commission. The parties shall meet and confer in accordance with provisions of the Government Code regarding the impact of proposed changes in the duty statements and attempt to reach an agreement prior to consideration by the Civil Service Commission. In the event, an agreement is not reached, either party may address the Civil Service Commission on the matter.

D. Notification of Changes in Work Rules

Whenever written departmental work rules, regulations, or policies are established, or changes made in existing departmental work rules affecting conditions of employment, the City shall give the Association reasonable notice as defined by the Government Code prior to placing the new rules, or changes in such existing rules, into effect. These notices of changes are not intended to impede the normal day-to-day operation but are intended to improve communication between the Association, the City, and the employees.

E. Representational Time-Off

Pursuant to relevant Government Code Sections, the City shall allow a reasonable number of Association employee representatives reasonable time off without loss of compensation or other benefits while formally meeting and conferring with representatives of the City on matters within the scope of representation as defined in the Government Code, or as may be required under Article VII, Grievance Procedure.

Each fiscal year, the Association shall receive a bank of 350 hours to be used for general Association business. The Association shall provide the Director with a monthly accounting of how this time is being used, listing: name, department, date, and work hours used, rounded off to 12-minute increments. Unused time cannot be carried over to future fiscal years. Employees using Association time must give notice and receive prior approval. Approval will not be unreasonably withheld except for operational demands. Sufficient advance notice is required if the request for time off exceeds one workday.

F. Bulletin Boards

The Association shall have access to a reasonable number of bulletin boards for the purpose of posting notice of official Association business. Notices to be posted shall receive the prior approval of the Director. In any event, no posting shall contain any material scurrilous or derogatory about any City employee or elected official.

G. Work Access and Distribution of Notices

1. Authorized Association staff, field representatives or employee representatives (Board Members and alternates pursuant to Article I Section V-B) shall be given access to work locations during working hours to conduct Association business so long as it is not unreasonably disruptive of normal working processes. Management may deny access if it feels it will unreasonably interfere with work. The Association representative must advise management when they have arrived on site.
2. The Association shall give to all department heads with employees in this unit, and to the Director, a written list of all authorized representatives, which shall be kept current by the Association. Access to work locations will only be granted to representatives on the list.
3. With prior City approval, the Association may have access to available conference rooms and/or City facilities during non-work hours.
4. The distribution of any written or printed notices, cards, pamphlets, or literature of any kind at City workstations or premises is prohibited without

the prior permission of the appointing authority or designee. Any written information to be distributed to employees must be furnished to management.

H. Representational Information

Unless an employee notifies the City in writing that they do not want the social security number released, the City shall provide the Association with the following information:

1. A quarterly listing (hardcopy) which shall list the following information for each unit employee:

Name, occupation code and title, Association membership dues amount, department and division, home address, birth date, age, part-time/full-time, bargaining unit code, original date of employment, monthly salary equivalent, and a total for all other deductions.

However, the City reserves the right to make any changes to any scheduled dates, times, locations, and arrangements provided to the Union for any NEOs.
 - b. Single Point of Contact: The Union agrees to provide the City a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for the Citywide NEOs sponsored by the Human Resources Department (hereinafter, Citywide NEO Coordinator) and a separate single point of contact for each Department sponsored NEO (hereinafter, Department NEO Coordinator) which will be updated by the Union and the City on an as-needed basis.
 - c. Citywide NEOs: The Association of Engineering Employees conveyed interests to attend Department employee orientations and to be notified of Citywide NEOs. New employees will be scheduled by their respective Department NEO Coordinator to attend a Citywide NEO, sponsored by the Department of Human Resources. The Citywide NEOs will be scheduled bi-annually for

every other month and any Citywide NEO may be canceled and/or rescheduled at the discretion of the Citywide NEO Coordinator. The Citywide NEO Coordinator shall provide written notice by email to the Union NEO Coordinator with the bi-annual schedule that includes the specific dates, times, and location for the Citywide NEOs no less than ten (10) business days prior to the first scheduled Citywide NEO, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the employer's operations that was not reasonably foreseeable. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The new employees attending the NEO, including meeting with the Union shall be paid on City time if attending during their regularly scheduled work shift. Employees will not be paid overtime for attending the NEO. The Union's access to new employees will occur after the City's presentation unless an alternate time is mutually agreed upon between the Union and Department NEO Coordinator. At all NEOs, the Union shall limit its presentation to a general introduction to its organization, history, by-laws, benefits of membership, and to answer questions from the new employees. The Union shall be entitled to distribute informational packets and to sign up members during its twenty (20) minute presentation. At all NEOs, the Union shall not engage in campaigning on behalf of an individual running for public elected office and ballot measures or other topics that would be

considered beyond general discussion of the benefits of Union membership. The Union NEO Coordinator shall request the release of any Union representative and/or Union officer who is scheduled to work and is needed by the Union to meet with new employees at a scheduled Department NEO under the terms and conditions specified in the MOU for general Union business. All said Union release requests shall be made to the Manager of Labor Relations no less than four (4) business days in advance of the scheduled Department NEO. At all NEOs, the Union shall not disrupt the City's presentation and/or any of the other union's presentations. The City may make announcements during any NEO to ensure that there are no disruptions during the presentations by the City, the Union, other unions, or any other individuals.

10. All rights, powers, authority, and functions of management, whether heretofore or hereinafter exercised, shall remain vested exclusively with the City.

B. Definition of City Obligations

The intent of the parties to this MOU is that the contractual attempt to define City obligations and responsibilities does not, and is in no way intended, to diminish the rights of the Association.

Before any new or subsequent amendments to these Personnel Policies and Procedures or Departmental Rules and Regulations, directly affecting wages, hours, and terms and conditions of employment are implemented, the City shall meet with the Association regarding the changes in accordance with Government Code Sections 3500 et seq. Nothing provided herein shall prevent the City from implementing rules and regulations provided it has met with the Association as required by law.

Employee wages and fringe benefits will not be reduced unless agreed to by the Association.

Section VIII – Peaceful Performance of City Services

For the life of the agreement, the Association, its officers, and/or members agree that they will not cause, condone, or participate in any concerted effort, which affects the performance of their assigned duties and responsibilities. This shall include the withholding of services or other interference with City operations, including compliance with the request of other employees and/or labor organizations to engage in said activities. The City may take whatever action is deemed appropriate provided it does not violate any employee's rights under applicable statutes.

In the event of any concerted effort, the President or authorized representative of the Association shall, within twenty-four (24) hours, publicly disavow such conduct and request the employees to return to work and attempt to bring about prompt resumption of normal operations. The Association shall notify the City within twenty-four (24) hours after the commencement of such work interruption as to the measures taken to comply with these provisions.

Section V – Step Advancement/Performance System

A. Performance Increases

Step increases will be based on performance as set forth below:

B. Step Advancement

Subject to satisfactory performance, as set forth in C.3. below, after an employee has served an initial six-month period of employment in a position at a pay rate designated as Pay Rate Step 1 in the Pay Rate Schedule for the classification, the

salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 2; after a second six-month period of satisfactory performance of employment, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 3; and after another six-month period of satisfactory performance of employment, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 4. Thereafter, the pay rate of such employee shall successively be at the applicable pay rate respectively designated as Pay Rate 5, 6, or 7 upon their successive completion of a one-year period of employment at the preceding pay rate. If the initial salary of any employee has been specifically designated at a pay rate other than Pay Rate Step 1, 2 or 3, their pay rate thereafter, shall, upon their successful completion of a one-year period of employment at that pay rate, be at the next successively higher applicable Pay Rate Step.

C. Performance System

As set forth in C.2. above, an employee will advance to the next step of the salary schedule if they receive an overall Meets Job Requirements rating on the Employee Performance Appraisal form developed and administered by the Civil Service Department. The ratings will be based on the most recently completed Employee Performance Appraisal form.

In the event the employee does not receive an overall Meets Job Requirements rating, the employee will not advance to the next successive step. No later than six-months after the original date the step increase was due, the employee will be re-evaluated. If the employee receives an overall Meets Job Requirements rating, they shall be advanced to the next successive step. They will receive their next step increase in accordance with the provisions of item C.2. above, i.e., either six-months or one year. In the event the employee does not receive an overall Meets Job Requirements rating, they will remain on their current step until such time they receive a new evaluation and a Meets Job Requirements rating.

If an employee's Performance Appraisal form is not completed within thirty (30) calendar days after the step increase is due, the employee will advance to the next step retroactive to the date the step increase was scheduled.

D. Appeal Process

If an employee does not receive a step increase because of their performance rating, they may appeal the rating as follows:

1. A complaint shall be presented orally or in writing directly by the employee to the immediate supervisor within ten (10) working days from the date the employee signs the Employee Appraisal form, which acknowledges that the employee has read and reviewed the rating. The immediate supervisor will

respond back to the employee within ten (10) working days from the date the complaint was received.

2. If the employee is dissatisfied with the results of the supervisor's response, they may appeal the matter to the Department Head or designee, ten (10) working days from the oral or written response from the supervisor regarding the rating. The Department Head or designee will respond to the employee within ten (10) working days from receipt of the complaint. (For employees in the Water Department and Harbor Department, this shall constitute the final step of the appeal process.)
3. If the employee is dissatisfied with the response from the Department Head or designee, the employee may proceed by written request to the Director of Human Resources within ten (10) working days from the date of decision of the Department Head.
4. If the matter is submitted to the Director of Human Resources, they shall review the matter within twenty (20) working days after receipt of the written request from the employee. The Director of Human Resources or designee shall hold such hearings and conduct such proceedings as may be necessary, but such hearings and proceedings shall be conducted in an expeditious and confidential manner with the involved parties only. Employees called as witnesses shall be released from duty as needed.
5. The findings of the Director of Human Resources shall be transmitted only to the parties to the dispute within ten (10) working days from the date of the hearing or proceeding. The decision of the Director of Human Resources or designee shall be final and binding upon all parties and is not subject to the grievance procedure.
6. In all of the above steps, the employee is entitled to the same representation as provided for in the grievance procedure.

Section VI – Overtime & Compensatory Time

A. Overtime

1. FLSA Overtime
 - a. FLSA Overtime for all work performed in the excess of 40 hours per workweek will be paid pursuant to the FLSA or may be accrued as compensatory time off at the rate of one and one-half times for each FLSA overtime hour worked.

2. MOU Overtime

- a. During the term of this Agreement, the City shall pay MOU Overtime under this section by crediting sick leave, personal or in lieu holiday leave, etc. as hours worked. Hours charged to vacation leave shall be excluded and not be considered when determining premium pay under the provisions of this MOU. MOU Overtime (in excess of 40 hours per workweek, excluding vacation) will be paid at time and one-half the regular hourly rate or accrued as Compensatory Time Off.

B. Compensatory Time Off

1. Employees working overtime will be eligible to accrue Compensatory Time Off (CTO) in lieu of receiving overtime compensation for each hour of overtime worked. CTO is earned at one and a half (1.5) hours for each hour worked. CTO time-off may be accrued up to a maximum of forty (40) hours.
2. Banked overtime credits shall not exceed 40.0 expanded hours for any employee at any one time.

$$(26.67 \text{ straight time hours} \times 1 \frac{1}{2} = 40)$$

3. Employees will be paid for all accrued CTO annually with the final pay period of each fiscal year or in the pay period immediately preceding a general salary increase. Should an employee promote to a classification with a higher base hourly rate of pay, all accrued CTO will be paid as compensation to the employee on the pay period prior to promotion.
4. An employee wishing to use accrued CTO shall provide the City with reasonable notice of such request. "Reasonable notice" is defined as at least two weeks' notice. For employees working a 9/80, work schedule the FLSA work week shall begin exactly in the middle of their 8-hour shift on the day of the week which constitutes their alternate day off. Effective the first full pay period following approval by City Council or upon implementation of LBCOAST, the guidelines for 9/80 schedules will be as follows:

- a. The standard work schedule is five (5) days per week, eight (8) hours per day.
- b. Participation in the 9/80 work schedule is optional. No employee is required, nor will they be compelled to participate.
- c. Each department has the right to establish rules for administering the 9/80 work schedule and the right to return any employee to the regular 8 hour per day schedule.

- d. A 9/80 consists of a total of eight (8), nine (9)-hour days, one (1), eight (8)-hour day, four (4) days off, and one (1) additional day off, in a two-week period. Therefore, the employee is working 80 hours over nine (9) days. The additional day off is called the employees Regular Day Off (RDO).
- e. Participation in a 9/80 Work Schedule is a benefit, not a right and is voluntary for employees whose departments have decided to offer the 9/80 work schedule. Employees must meet their departments' conditions for being granted a 9/80 work schedule.
- f. Employees may only request to change their 9/80 work schedule once every six (6) months unless approved by the Department head or designee.
- g. 9/80 work schedules will be limited to four schedules available for non-24-hour facilities. They include:
- 1st Friday of the Pay Period as the Regular Day Off
 - 2nd Friday of the Pay Period as the Regular Day Off
 - 1st Monday of the Pay Period as the Regular Day Off
 - 2nd Monday of the Pay Period as the Regular Day Off
- h. Only alternating Fridays or Mondays may be designated as a Regular Day Off. All Tuesdays, Wednesdays and Thursdays are 9-hour work days. The other alternating Monday or Friday will be considered the eight (8)-hour work day.
- i. Once the designated regular day off is selected, it cannot be changed, swapped, or traded unless approved with a request to change the 9/80 schedule as noted above.
- j. Upon Departmental approval, employees may flex time within the work week with the exception of their Regular Day Off. Employees may not flex time on their Regular Day Off or 8-hour day.
- k. 24-Hour or 7 Day Hour Facility Schedule
- The 24-hour 9/80 option is reserved for 24-hour facilities whose employees may flex on any days other than Monday or Friday. The 9/80 day off must be taken in conjunction with two consecutive days off. For example, an employee whose regular workweek is Tuesday through Saturday would Flex every other Tuesday or Saturday. Sunday and Monday would be 'regular' days off from work.
 - Note: A 24-hour facility supervisor may assign an employee to a 'Business Hour Department Schedule' if the employee's

regular workweek is Monday – Friday and their regular days off are Saturday and Sunday.

- Use of the 24-Hour Facility Schedule must first be approved by the Department of Human Resources Director.

3. 4/10 Work Schedule

The 4/10 work schedule shall be defined as working four (4) ten (10) hour days each week plus a one-hour lunch during each work shift, totaling a forty (40) hour work week. The assigned 4/10 work schedule must be in compliance with the requirements of FLSA and other applicable laws. A shorter lunch hour can be approved by the City Manager or the appropriate appointing authority, if it is determined to be operationally advantageous. The 4/10 work schedule shall not reduce service to the public, departmental effectiveness, productivity and/or efficiency or increase overall City costs as determined by the City Manager or the appropriate appointing authority. Employees working the 4/10 shall have a FLSA work week designated as beginning at 12:01 a.m. on Saturday through 12:00 a.m. on Friday

4. Other Work Schedules

Other work schedule alternatives may be approved by the City Manager or the appropriate appointing authority, if it is determined to be operationally advantageous and does not exceed forty (40) hours of scheduled work in the defined FLSA work week. Other approved work schedules shall not reduce service to the public, departmental effectiveness, productivity and/or efficiency or increase overall City costs as determined by the City Manager or the appropriate appointing authority.

C. Holidays

Employees on 9/80 work schedules may be required to take an hour of qualified leave from their leave accrued leave for each holiday that falls on a 9-hour work day.

Alternatively, supervisors may give their employees the option of working an additional hour during the workweek, not the pay period, in lieu of using eligible leave time.

D. Work Schedule Approvals

Alternative Work Schedules (work schedules other than the traditional 5/40 work schedule) must be approved by the City Manager or the appropriate appointing authority. The City may change an employee's designated work schedule (i.e., 9/80, 5/80, 4/10 or other schedule) with seven (7) calendar days' notice.

E. Alternative Work Schedules and Premium Pay

Back-up assignments associated with an alternative work schedule are not justification for higher-class pay unless otherwise specified in this agreement or other personnel policy. An alternative work schedule should not increase requirements for over-time pay.

ARTICLE SEVEN

GRIEVANCE PROCEDURE

Section I – Definition

- A. A grievance is a complaint by the Association or one or more employees concerning the application or interpretation of this MOU, the Personnel Ordinance, the Salary Resolution, written departmental rules and regulations, and policy and procedure manuals governing personnel practices or working conditions between the City and the Association.
- B. Matters excluded from consideration under the grievance procedure:
 - 1. Position classification and grade designations;
 - 2. Items otherwise expressly excluded under this MOU;
 - 3. Nothing in this procedure shall be deemed to supersede the authority of the Civil Service Commission;
 - 4. Loss of skill pay due to a change of assignment, work or duties.
- C. If an employee alleges that their rights protected by Title VII of the Civil Rights Act are being violated, the resolution of such may only be pursued by the appropriate quasi-judicial agency that is authorized to provide remedial relief. However, any complaint within the definition of a grievance as set forth above (except Article One, Section IV-B) that specifically relates to this Agreement, may be pursued under this Article.

Section II – Grievance Presentation

Employees shall have the right to present their own grievance or do so through their Association representative (Board member, or alternate) or Association staff. Grievances may also be presented by a group of employees or by the Association.

Section III – Grievance Forms

Grievance forms can be obtained from the City or the Association. Grievances shall be processed on standard forms provided by the Department of Human Resources and shall contain information which:

- A. Identifies the aggrieved;
- B. Contains the specific nature of the grievance;

- C. Indicates the time or place of its occurrence, if known;
- D. States the Article(s) of the MOU, including Personnel Ordinance and Salary Resolution, written departmental rules and regulations, and policy and procedure manuals, if applicable, which have been violated, misinterpreted or misapplied;
- E. Indicates the persons contacted at the informal stage; and
- F. States the corrective action desired.

Section IV – Time Off For Processing Grievances

- A. Informal – The processing of a grievance at the informal stage shall be considered as City business. However, such processing shall be at reasonable times so as not to disrupt the normal working processes of the division, bureau, or department.
- B. Formal – The processing of a grievance at the formal stage, except filling out the form and the initial filing, shall be considered as City business; the employee and their representative (limited to one City employee) shall receive time off from regularly-scheduled duty hours to participate in the grievance procedure and arbitration at Steps I through V, without loss of pay for the time so spent. One Association Staff or one Association Board Member may also observe the grievance meeting(s).

Section V – Cost of Witnesses at Grievance/Arbitration

The cost of witnesses called by either party shall be borne by the party who requests the witnesses. The cost of witnesses called by both parties shall be shared equally by both parties. City employees called as witnesses, on duty at the time, shall receive time off from duty to participate in the grievance/arbitration, without loss of pay for the time so spent. City employees called as witnesses, not on duty at the time, may receive compensation by the party of parties who request the witnesses.

Section VI – Number of Witnesses at Arbitration

Calling of witnesses by either party shall be done with a reasonable amount of constraint. Approximately three or four witnesses may be called by each party. In the event that more witnesses are desired by either party, the arbitrator shall make the final decision as to the number of witnesses permitted by each party.

Section VII – Extension of Time Limits

Failure by management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.

If an employee fails to appeal from one level to the next within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision, and the grievance shall not be subject to further appeal or reconsideration.

All time periods specified in this procedure may be extended by mutual written consent of the aggrieved employee(s), Association staff, or Association representative (Association board member or alternate) and the designated management representative.

Section VIII – Informal Procedure

Both the City and the Association agree that grievance resolution at the informal level is preferred and should be encouraged by both parties.

Within ten (10) working days of the occurrence or knowledge of the matter, which causes the complaint, the employee shall discuss the complaint with their immediate supervisor, unless the supervisor is the subject of the grievance. The Association's presence may be requested by either party.

Within ten (10) working days of the discussion with the employee, the supervisor shall verbally reply to the employee's complaint. If the employee is dissatisfied or, if the supervisor fails to respond, the employee shall have access to the formal grievance process.

Section IX – Formal Procedure

The Association has the right to be present if invited by the grievant at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of this MOU. However, no settlement that interprets the agreement shall be made without the Association's knowledge and input.

Step One – Division/Bureau Head

- A. Within ten (10) working days of the occurrence or knowledge of the matter, which causes the grievance, or within ten (10) working days of the supervisor's response (or lack of response) at the informal level, if this option was exercised, the Association, group of employees, or employee may file a formal written grievance. The grievant(s) shall submit one (1) copy of the grievance to their Division/Bureau Head.
- B. Within ten (10) working days the Division/Bureau Head shall schedule a meeting and give their decision, in writing, to the grievant(s) and to the Association representative if one was present at the meeting.

Step Two – Department Head

- A. Within ten (10) working days of the response from the first level, the grievant, if dissatisfied, may submit to the Department Head, or designee, a copy of the first step response and a copy of the grievance. A meeting shall be held by the Department Head or designee. An Association representative shall be present if requested by grievant(s).
- B. Within ten (10) working days after the meeting, the Department Head, or designee, shall give their decision, in writing, to the grievant(s) and to the Association representative if one was present at the meeting.

For Water and Harbor Departments only, substitute Administrative Officer or equivalent for Department Head.

Step Three – Director of Human Resources

- A. Within ten (10) working days of the response from the second level, the grievant, if dissatisfied, may submit, to the Director of Human Resources, or designee, a copy of the second step response and a copy of the grievance.

A meeting shall be held by the Director of Human Resources, or designee. An Association representative shall be present if requested by grievant(s).

- B. Within ten (10) working days after the meeting, the Director of Human Resources, or designee, shall give their decision in writing, to the grievant(s) and to the Association representative if one was present at the meeting.

For Water and Harbor Departments only, substitute Department Head for the Director of Human Resources or designee.

Step Four – City Manager

- A. Within ten (10) working days of the response from the third level, the grievant(s), if dissatisfied, may submit to the City Manager, or designee, a copy of the third step response and a copy of the grievance. A meeting will be scheduled by the City Manager, or designee. An Association representative shall be present if requested by grievant(s).

- B. Within ten (10) working days after the meeting, the City Manager, or designee, shall give their decision, in writing, to the grievant(s) and to the Association representative if one was present at the meeting.

For Water and Harbor Departments only, substitute Department Head for City Manager.

Step Five – Arbitration

If the City Manager (Water or Harbor – Department Head) does not satisfactorily dispose of the complaint, the Association may, within ten (10) working days, request that the matter be submitted to arbitration. The person designated by the Human Resources Department shall meet with the Association representative to determine what issue(s) the Association or employee desires to submit to arbitration. If agreement is reached as to the specific issue(s) so agreed shall be reduced to writing, and the submission agreement shall be submitted to arbitration. If the parties cannot agree on the specific issue(s), then each may submit its own statement, and the Arbitrator shall consider and decide only the specific issue(s) submitted to them in writing by the City and the Association and shall have no authority to make a decision on any other issue(s) not so submitted.

Once the matter is submitted to arbitration the following shall apply:

- A. The parties shall meet and attempt to jointly select an Arbitrator. If they are unable to make a joint selection in a period of time not to exceed ten (10) calendar days, either party may request a panel of five (5) arbitrators from the American Arbitration Association;
- B. Upon receipt of the panel from the American Arbitration Association, the parties shall meet within ten (10) working days, at which time the parties shall determine the Arbitrator by the alternate strike method. A coin flip will determine the party to strike first;
- C. The Arbitrator shall hold a hearing as soon as practicable;
- D. Employees called as witnesses shall be released from duty as needed;
- E. The rules of conduct of proceedings shall be according to those procedures utilized by the American Arbitration Association;
- F. The findings of the Arbitrator shall be permitted only to the parties to the dispute or their representatives;
- G. Each party shall bear the expenses of presenting its own case;
- H. Costs of making a stenographic record shall be borne equally;
- I. Seventy-five percent (75%) of the Arbitrator's fee shall be paid by the party whose position was not supported by the Arbitrator's findings. The Arbitrator shall be empowered to allocate or apportion the fee if questions exist as to whose position was supported;

- J. The Arbitrator shall have no authority to modify, amend, revise, add to, or subtract from any of the terms or conditions of this Agreement;
- K. The Arbitrator shall be without power to make decisions contrary to or inconsistent with Federal or State law, the City Charter, City Ordinances and Resolutions. The City shall take no action to resolve the dispute in its favor by amending its Ordinances or Resolutions related to the issue(s) in dispute during the duration of this Agreement;
- L. Following the conclusion of the hearing, the decision of the Arbitrator rendered in accordance with the foregoing shall be final and binding upon the Association, the City and any employees involved in the grievance. Any dispute regarding the legal effect of the Arbitrator's decision may be pursued by either party in the manner legally available.

ARTICLE EIGHT

GENERAL PROVISIONS

Section I – Conclusiveness of Agreement

The parties acknowledge that, during the negotiations which resulted in this MOU, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining regarding the employees covered by this MOU. The understandings and agreements arrived at by the parties hereto, after the exercise of that right and opportunity, are fully set forth in this MOU.

It is the intent of the parties hereto that the provisions of this MOU shall supersede all prior MOUs between the parties. This MOU is not intended to cover any matter preempted by Federal or California law or City Charter.

PAID PARENTAL LEAVE

The City of Long Beach will be implementing the following paid parental leave policy effective the first full pay period of calendar year 2021:

Purpose/Objective

All full-time employees eligible for City health benefits are eligible for Paid Parental Leave, for up to 30 consecutive calendar days in the twelve-month period following the birth of a child, adoption of a child, or placement of a foster child in their home. Employees will be afforded the same level of benefit continuation for the period of time that the employee is on Paid Parental Leave as if the employee was on active work status.

- This benefit shall apply to life events occurring after the effective date of the Paid Parental Leave program.

Amount, Time Frame and Duration

- Employees will be eligible for up to 30 consecutive calendar days (160.0 hours) of Paid Parental Leave at employee's adjusted hourly rate of pay.
- Paid Parental Leave will be paid on regularly scheduled pay dates.

- Approved Paid Parental Leave may start up to two consecutive weeks prior to and at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.
- The 30 consecutive calendar days of Paid Parental Leave will begin on the first day of Paid Parental Leave used, and in no event shall exceed 30 calendar days within a 12-month period.
- Paid Parental Leave may not be used or extended beyond this twelve-month time frame.
- The City will allow employees to take Paid Parental Leave only in the smallest of increment equivalent to a one-day shift according to their regular work schedule (i.e., no partial days shall be taken under any circumstance).

LABOR COST SAVINGS REOPENER

Due to the continued uncertainty of the City's financial condition caused by the COVID-19 pandemic, the City and AEE ("the parties") agree that during the period commencing September 1, 2020 and ending on the last date of this Agreement, the MOU may be reopened on economic issues if the Mayor and Council officially declare an economic emergency. The declaration of an economic emergency shall not be subject to any grievance or arbitration procedure.

In the event the Mayor and Council declare an economic emergency; the parties agree to immediately begin to meet and confer to address possible measures to help ameliorate the fiscal crisis. The City shall notify AEE in writing to request that this agreement be reopened, provided that such reopener is limited to achieving labor costs savings, such as furloughs, reduction in hours or changes to Article Two (Salaries and Compensation), Article Three (Paid Time Off Benefits) and Article Four (Benefits). The Association agrees that they shall meet with the City within one week of the written request and shall meet daily until agreement is reached or impasse is declared. If the parties are unable to reach agreement on the reopener within 30 days of the written request to reopen, they agree to proceed to the impasse resolution process in accordance with the Meyers Miliias Brown Act. If the Association requests factfinding regarding the impasse in negotiations, the parties will make their best efforts to agree upon an efficient, economical, and fair factfinding process. The parties agree that the factfinding panel will include a City representative and an AEE representative. The parties agree to select their respective panel members and the neutral factfinding panel chairperson within 5 days of the factfinding request. The parties agree to schedule the factfinding hearing within 15 days of the factfinding request, and to direct the panel to make its written recommendations as expeditiously as possible, and in no event later than 10 days after the date of the hearing. In the event of a reopening ending in impasse, the City shall have the right to unilaterally implement the last, best and final offer upon completion of the impasse process. However, the item unilaterally changed cannot become part of the collective agreement unless and until the union agrees. The provisions of Article One, Section VIII, "Peaceful Performance of City Services," shall continue in full force and effect regardless of any re-opening of negotiations.

APPENDIX J

FURLOUGH - FISCAL YEAR 21

To minimize layoffs during Fiscal Year 2021, the City and AEE agree that an unpaid work furlough equivalent to 10% percent of permanent employees pay (208 hours for permanent full-time employees) will be taken during the period including October 1, 2020 to the pay period including September 30, 2021. This will include permanent full-time employees and permanent part-time employees that work at least 20 hours per week.

Permanent full-time employees will be required to take two hundred and eight (208) hours of unpaid furlough and qualifying permanent part-time employees will be required to take one-hundred and four (104) hours of unpaid furlough on a scheduled business closure day, between October 1, 2020 and the pay period including September 30, 2021. Furloughs will be scheduled eight (8) furlough hours per pay period for full-time employees and a minimum of four (4) hours per pay period for permanent part-time employees unless the appointing authority has approved an Alternate Furlough Plan. All permanent employees will be required to take the full number of furlough hours (208) or 104 hours for permanent part-time and those approved on the Alternate Furlough Plan.

All employees will be placed on a 5/40 work schedule and will take the City closure day off as the furlough day. Based on operational needs, departments may assign an alternate furlough day off (other than the closure Friday) within the same work week.

For operations that require work shifts greater than eight (8) hours, employees can flex the remaining hours of their shift within the work week, use accruals for the remaining hours of their shift or request to take the remaining hours of the shift off unpaid with approval from the Department Head or appointing authority.

Furlough hours will be scheduled by management and may require closure of certain operations based upon business necessity. Every effort will be made to float furlough hours to effectively reduce costs and minimize the impact on public services. Overtime will not be permitted within the same week as furlough hours unless approved by the appointing authority. Employees shall not use any paid time (e.g. vacation, in-lieu, banked time, etc.) to replace or supplement furlough day.

Employees in assignments that will require overtime or revenue loss if the member is furloughed will be placed on the Alternate Furlough Option and be required to take one hundred and four (104) hours of an unpaid furlough between October 1, 2020 and the pay period including September 30, 2021. The City will provide the Union with a list of positions, assignments and individuals to be included in this alternative approach to generate savings.

Non-career employees will not be scheduled to work on a scheduled business closure day. If based on operational necessity, there is a need for a non-career employee to work on a closure day, the department will schedule an alternate day off during the same work week.

APPENDIX K

FURLOUGH PARITY LANGUAGE

AEE agrees to 26 workdays/208 hours (approx. 10%) of unpaid furlough days in FY 2021, provided that the City agrees to a "Furlough Parity Reopener" to guarantee that all non-sworn bargaining units (excluding public safety [POA, FFA and LGA] and miscellaneous groups with a closed contract) will be subject to the same total number of furlough hours (26 days = 208). This also excludes employees on an Alternate Furlough Program (contribution half (13 days = 104 hours).

The City and AEE agree that it is the intent of this Section regarding furloughs that all non-sworn bargaining units serve the same total number of furlough hours FY 2021 (excluding Alternative Furlough Program). Therefore, should the City reach agreement with another non-sworn bargaining unit that provides for less furlough hours than has been agreed to in this Section, or if the City is not able to reach agreement and instead imposes terms on another non-sworn bargaining unit that are less than the value of the furlough cost savings agreed to in this Section, the parties agree to re-open the MOU to discuss how to provide AEE members with compensation that equals the difference in furlough hours they served in comparison to other non-sworn bargaining units. This limited re-opener can be exercised by either the City or AEE.
