Section II – Recognition

The City hereby recognizes the Association as the exclusive representative for those employees employed by the City in the classifications referenced in Appendix A of this MOU, subject to the applicable provisions of the law.

Section III – Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein, to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

Section IV – Nondiscrimination

A. The parties mutually recognize and agree to fully protect the rights of all employees to join and participate in the activities of the Association or to have the Association represent them in their employment relations with the City. It is further agreed that nothing herein shall prohibit an employee from representing themselves individually or appearing on his/her own behalf with the City. No employee shall be intimidated, coerced, restrained, or discriminated against because of the exercise of these rights.

B. The provisions of this MOU shall be applied equally to all employees, and no person shall be benefited or discriminated against in any manner which is inconsistent with the standards set forth in federal and California statutes or with any ordinance, resolution, or rule of the City. Alleged violations of this Section (IV-B) are not grievable under the Grievance Procedure. An employee may pursue alleged discrimination through procedures established by the Department of Human Resources or Civil Service and shall be entitled to pursue California or federal statutory rights.
Section V – Employee Organizational Rights and Responsibilities

A. Dues and Benefit Deductions Program

1. During the term of this MOU, upon receipt of a Payroll Deduction Request form, the City shall deduct Association dues and supplemental benefit deductions from the pay of employees represented by the Association. The form for this purpose shall be provided by the City and the amounts to be deducted for Association dues and benefit program premiums shall be sent to the City by the designated Association official. For such purposes, the City shall charge the Association for each employee five and one-half cents ($0.055) per deduction for Association dues and five and one-half cents ($0.055) per deduction for all other deductions. The deductions shall be made twice a month.

3. The City shall have no obligation to modify the manner in which it currently makes deductions on behalf of the Association.

B. Maintenance of Dues Payroll Deduction

1. Employees who are members of the Association may cancel payroll deductions by resigning their membership only in the month of June each year. The Association shall assume responsibility of notifying current and future members of this requirement.

2. The parties agree that LBSEA may re-open the agreement upon request to discuss maintenance of membership provisions following a final decision on the merits of court of competent jurisdiction, inclusive of appeals, if any.

F. Notification of Changes in Work Rules

Whenever written departmental work rules, regulations, or policies are established, or changes made in existing department work rules affecting conditions of employment, the City shall give the Association reasonable notice as far in advance as possible but not less than ten (10) working days prior to placing the new rules, or changes in such existing rules, into effect and where requested, meet and confer in good faith. These notices of changes are not intended to impede the normal day-to-day operation, but are intended to improve communication between the Association, the City, and the employees.

G. Representational Time-Off

1. Pursuant to relevant Government Code Sections, the City shall allow a reasonable number of Association employee representatives (Association Officers, Shop Stewards, and Site Representatives), and/or employees, as needed, reasonable time off without loss of compensation or other benefits while formally meeting and conferring with representatives of the City on matters within the scope of representation as defined in the Government Code, or as may be required under Article VII, Grievance Procedure.

The rating will be based on the most recently completed Employee Performance Appraisal form. Employee appraisals are not arbitrary or capricious. All parties desire consistency in the appraisal process throughout the City. Performance that may result in ratings below “meets job requirements” should be discussed with the employee as needed throughout the rating period and should also be shared with the employee in a timely manner.

In the event the employee does not receive an overall Meets Job Requirements rating, the employee will not advance to the next successive step. No later than six-months after the original date the step increase was due, the employee will be re-evaluated. If the employee receives an overall Meets Job Requirements rating, they shall be advanced to the next successive step. They will receive their next step increase in accordance with the provisions of item F.1. above, i.e., either six-months or one year. In the event the employee does not receive an overall Meets Job Requirements rating, they will remain on their current step until such time they receive a new evaluation and a Meets Job Requirements rating.

If an employee’s Performance Appraisal form is not completed within thirty (30) calendar days after the step increase is due, the employee will advance to the next step retroactive to the date the step increase was scheduled.

3. Appeal Process

If an employee does not receive a step increase because of his/her performance rating, they may appeal the rating as follows:
A. A complaint shall be presented in writing directly by the employee to the immediate supervisor within ten (10) working days from the date the employee signs or refuses to sign the Employee Appraisal form, which acknowledges that the employee has read and reviewed the rating. The immediate supervisor will respond back to the employee in writing within ten (10) working days from the date of the complaint was received.

B. If the employee is dissatisfied with the results of the supervisor’s written response, they may appeal the matter to the Department Head or designee, ten (10) working days from the written response from the supervisor regarding the rating. The Department Head or designee will respond to the employee within ten (10) working days from receipt of the complaint.

C. If the employee is dissatisfied with the response from the Department Head or designee, the employee may appeal by written request to the Director of Human Resources within ten (10) working days from the date of decision by the Department Head.

D. If the matter is submitted to the Director of Human Resources or designee, within twenty (20) working days after the receipt of the written request from the employee, they shall review and may conduct investigations and hearings on the matter. Employees called as witnesses will be released from duty as needed.

E. The findings of the Director of Human Resources shall be transmitted only to the parties to the dispute within ten (10) working days from the date of the hearing or proceeding. The decision of the Director of Human Resources or designee shall be final and binding upon all parties and is not subject to the grievance procedure.

F. Should the Director of Human Resources not meet the established deadlines as indicated in subsections “d” and “e” above, then the City shall be untimely in the processing of the appeal, and the employee will advance to the next step retroactive to the date the step increase was scheduled.

G. In all the above steps, the employee is entitled to the same representation as provided for in the grievance procedure.

H. The timelines set forth in Section 1.D.3 may be extended by mutual agreement of the parties, and such agreement shall not be unreasonably withheld.
Section II – Overtime and Compensatory Time Off (CTO)

A. FLSA Overtime

FLSA Overtime for all work performed in the excess of 40 hours per week will be paid pursuant to the FLSA or may be accrued as compensatory time off at the rate of one and one-half times for each FLSA overtime hour worked.

B. MOU Overtime

During the term of this Agreement, the City shall pay MOU overtime under this section by crediting sick leave, personal or in lieu holiday leave, etc. as hours worked. Hours charged to vacation leave shall be excluded and not be considered when determining premium pay under the provisions of this MOU. MOU overtime (in excess of 40 hours per week, excluding vacation) will be paid at the regular hourly rate or compensation accrued at one and one-half times.

C. Compensatory Time Off

1. Employees working overtime will be eligible to accrue Compensatory Time Off (CTO) in lieu of receiving overtime compensation for each hour of overtime worked. CTO is earned at one and a half (1.5) hours for each hour worked. CTO time-off may be accrued up to a maximum of ninety (90) hours.

2. Banked overtime credits shall not exceed 90.0 expanded hours for any employee at any one time.

   \( (60 \text{ straight time hours } \times 1 \frac{1}{2} = 90) \)

3. Employees will be paid for all accrued CTO annually with the final pay period of each fiscal year or in the pay period immediately preceding a general salary increase. Should an employee promote to a classification with a higher base hourly rate of pay, all accrued CTO will be paid as compensation to the employee on the pay period prior to promotion.

4. An employee wishing to use accrued CTO shall provide the City with reasonable notice of such request. “Reasonable notice” is defined as at least two weeks’ notice. If reasonable notice is provided, the employee’s request will not be denied unless it would be unduly disruptive to the department to grant the request. A request to use CTO with less than two weeks’ notice may still be granted within the discretion of the supervisor or manager responsible for considering the request.

5. Management retains the sole discretion in granting the request to accrue CTO or to pay it as overtime worked.

B. The employee works between the hours of 6:00 p.m. and 6:00 a.m. as part of a “split shift.” Split shift is defined as a shift of eight (8) or more non-continuous work hours in a single day, separated by a break of at least three (3) non-working hours during the shift. The employee shall be paid the night shift differential established by this Section only for each hour actually worked between the hours of 6:00 p.m. and 6:00 a.m.; or

B. Any City employee whose official duties require intermittent or routine transportation and is not authorized use of a City vehicle, will be authorized to use his or her personal vehicle for the performance of official duties and shall be reimbursed by the City at the current IRS mileage rate. Any employee who drives 300 or more miles in any calendar month in the performance of his or her duties shall be reimbursed at the current IRS mileage rate plus an additional $0.10 per mile. If an employee’s annual monthly mileage average in a calendar year is equal to or over 300 miles per month, reimbursement of the additional $0.10 per mile shall be paid at the end of the calendar year for those months that were paid at the lower rate. Employees will not receive additional compensation for those miles already paid at the higher rate.

C. Mileage reimbursement will be authorized only for employees who do not have access to departmental or dispatch pools of City-owned vehicles.

D. With the approval of the City Manager or other appointing authority, employees may be authorized to use and be reimbursed for public bus or taxi transportation.    2. Each hour or fraction thereof worked from the time of the call-back to the time the employee leaves home to the time employee returns home at the rate of time and one-half (1½).

C. Any employee who accepts such a call-out between the hours of 10:00 p.m. and 6:00 a.m. that is subsequently cancelled before the employee leaves home shall receive 30 minutes of pay at the employee’s regular rate of pay.

D. Employees who are called back to work after completion of their regular work shift and have left the work location that are able to act to resolve an after-hours situation via phone or other electronic means without reporting to duty, shall receive fifteen (15) minutes’ minimum at time and one-half (1½) the employee’s regular rate of pay or actual time engaged, whichever is greater. LETTER OF AGREEMENT
BETWEEN THE CITY OF LONG BEACH AND
THE LONG BEACH SUPERVISORS ASSOCIATION

SUPERVISORY DIFFERENTIAL PILOT PROGRAM

Effective the first day of the first full pay period including October 1, 2022, the City proposes the following pilot program:

During the term of this Agreement only, the parties agree to a Supervisory Differential as specified below to be implemented on a pilot basis.

1. Effective the first full pay period following approval by City Council, the City will ensure a five and a half percent (5.5%) salary differential exists between a bargaining unit member and subordinates who directly report to them.

2. This provision shall apply to a bargaining unit member that is a bona fide supervisor over employee(s) in a subordinate class. For the purposes of this section, “bona fide supervisory employee” means a full-time, regularly assigned supervisor with full administrative and technical authority to assign, review and approve the work of his or her subordinates. This differential shall not apply where bargaining unit members do not possess the same professional credentials required of the subordinates they supervise (e.g. Helicopter Mechanic).

The rates to be compared in determining the supervisory differential shall be the top step base hourly rate of the salary range prescribed for and authorized and allocated classifications of the subordinate and the top step base hourly rate of the bonafide supervisor (e.g. Step 7 to Step 7), excluding any overtime, skill pays, incentive pays, bonuses or working condition differentials of the subordinate. Within thirty (30 days) of notification in writing of a situation, the Human Resources Department shall investigate the situation and shall notify the Appointing Authority whenever a supervisory differential shall be paid pursuant to this section. This section is not subject to the Grievance Procedure and the determination of the Human Resources Director shall be final and binding.

Classifications which have incumbents below this differential shall receive a range adjustment that achieves a five and a half percent (5.5%) differential above the highest paid subordinate’s existing base pay.

LETTER OF AGREEMENT

PAID PARENTAL LEAVE

The City of Long Beach shall implement a paid parental leave policy effective the first full pay period of calendar year 2021 as follows:

The policy provides 30 consecutive calendar days of Parental Leave at 100% of salary, for the birth, adoption or foster placement of a child, regardless of the gender, marital status or sexual orientation of the parent. Paid Parental Leave may be taken at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.

The leave must be taken in full day increments, and within one year of the date of birth/placement of the child. This type of absence is not charged against the employee’s leave accruals.

Purpose/Objective

All full-time employees eligible for City health benefits are eligible for Paid Parental Leave, for up to 30 consecutive calendar days in the twelve-month period following the birth of a child, adoption of a child, or placement of a foster child in their home. Employees will be afforded the same level of benefit continuation for the period of time that the employee is on Paid Parental Leave as if the employee was on active work status.

The purpose of Paid Parental Leave is to enable the employee to care for and bond with a newborn or a newly adopted or newly placed child.

Eligibility

- Permanent full-time employees eligible for City health benefits; AND
- Employees that have completed six months of full-time City service; AND
- Employees who are the parent of a newborn child; OR
- Employees who have adopted a child or who have had a foster child placed in their home (in either case, the child must be age 17 or younger).
- This benefit shall apply to life events occurring after the effective date of the Paid Parental Leave program.

Amount, Time Frame and Duration

- Employees will be eligible for up to 30 consecutive calendar days (160.0 hours) of Paid Parental Leave at employees adjusted hourly rate of pay.
- Paid Parental Leave will be paid on regularly scheduled pay dates.
- Approved Paid Parental Leave may start up to two consecutive weeks prior to and at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.
- The 30 consecutive calendar days of paid parental leave will begin on the first day of paid parental leave used, and in no event shall exceed 30 calendar days within a 12-month period.
- Paid Parental Leave may not be used or extended beyond this twelve-month time frame.
- The City will allow employees to take Paid Parental Leave only in the smallest of increment equivalent to a one-day shift according to their regular work schedule (i.e., no partial days shall be taken under any circumstance).
- In no case will an employee receive more than 30 consecutive calendar days of Paid Parental Leave in a rolling 12-month period, regardless of whether more than one birth, adoption or foster care placement event occurs within that 12-month rolling time frame.
- City employees who are co-parents with another City employee, will each have an individual right to paid Parental Leave.

Coordination with Other Policies

- Paid Parental Leave taken under this policy will run concurrently with leave under the FMLA, CFRA and PDL.
- If a City holiday occurs while the employee is on Paid Parental Leave, such day will be charged as holiday pay and will not be counted against the employee’s 30 consecutive calendar days of Paid Parental Leave.

Requests for Paid Parental Leave

- The employee must provide his or her supervisor and the Human Resources Department with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible).
- An employee who does not give 30 days’ notice must explain why such notice was not practical.
- The employee must complete the necessary Human Resource Department forms and provide all documentation as required by the Human Resource Department to substantiate the request.
- Employees may request to start their Paid Parental Leave up to two weeks prior to the birth/placement of the child.

The City retains the right to review the Paid Parental Leave program at the end of the contract term to evaluate the program impact on operations. The parties will agree to meet and discuss modifications to the program to address unforeseen fiscal and/or operational impacts.
Applicable MOU Provision(s)

Upon implementation of Paid Parental Leave program, all parties agree to eliminate applicable provisions for the Preservation of Sick Leave (Vacation) During Extended Leave which states:

Whenever a permanent employee has requested an extended leave of absence (more than 30 days), the employee has the option to retain up to eighty-hours of sick leave/vacation/holiday pay in the system. However, previously scheduled vacation time may be preserved in addition to the 80-hour limit.

This provision will be discontinued and removed from applicable Memorandum of Understanding and any other documents, or locations referenced.

GYM MEMBERSHIP PILOT PROGRAM

The City of Long Beach proposes to offer a pilot gym discount program to employees to promote and improve employee well-being, health and fitness. Participation in the program is voluntary.

The proposed pilot gym discount program would be effective after the informational kickoff meeting as discussed below.

The proposed Gym Membership pilot program, referred to as Gympass, provides employees access to multiple gyms and exercise activity studios, as well as various types of activities for a single monthly fee, starting at $10 per month, to be paid by the employee directly to Gympass.

Employees will have multiple price platforms to choose from and will be able to attend any of the participating gyms and/or available classes based upon the platform chosen. Enrolled employees will have unlimited access to the facilities in their chosen platform and can opt out at any time. Employees will not be charged an initiation fee, annual fee or cancellation fee to participate in Gympass.

To build awareness of this unique program, the union will be invited to attend an informational kickoff meeting with Gympass and/or Human Resources staff regarding the Gympass platforms and pricing. We would like to partner with the unions/associations in communicating and distributing HR-developed communications to union members to promote the program.

Gympass will be implemented on a two-year term as a pilot program, and extended to all active employees, regardless of length of employment and hours worked. Upon the conclusion of the Gympass pilot program, the program will be evaluated by the HIAC Committee to review and make recommendations regarding the effectiveness, continuation and/or decision to end the program.

*The effective date will be based on conclusion of meet and confer process and City procurement process.

• Water Treatment Supervisor I

C. The transfer of the skill pay into the base hourly rate is intended to be cost neutral and will not result in an increase in pay.
1. To minimize layoffs during Fiscal Year 2021, the City and LBSEA agree that an unpaid work furlough equivalent to 10% percent of permanent employees pay (208 hours for permanent full time employees) will be taken during the period including October 1, 2020 to the pay period including September 30, 2021. This will include permanent full-time employees and permanent part-time employees that work at least 20 hours per week.

2. Permanent full time employees will be required to take two hundred and eight (208) hours of unpaid furlough and qualifying permanent part-time employees will be required to take one-hundred and four (104) hours of unpaid furlough on a scheduled business closure day, between the pay period including October 1, 2020 and the pay period including September 30, 2021. Furloughs will be scheduled eight (8) furlough hours per pay period for full-time employees and a minimum of four (4) hours per pay period for permanent part-time employees unless the appointing authority has approved an Alternate Furlough Plan. All permanent employees will be required to take the full number of furlough hours (208) or 104 hours for permanent part-time and those approved on the Alternate Furlough Plan.

3. All employees will be placed on a 5/40 work schedule and will take the City closure day off as the furlough day. Based on operational needs, departments may assign an alternate furlough day off (other than the closure Friday) within the same work week.

4. For operations that require work shifts greater than eight (8) hours, employees can flex the remaining hours of their shift within the work week, use accruals for the remaining hours of their shift or request to take the remaining hours of the shift off unpaid with approval from the Department Head or appointing authority.

5. Furlough hours will be scheduled by management and may require closure of certain operations based upon business necessity. Every effort will be made to float furlough hours to effectively reduce costs and minimize the impact on public services. Overtime will not be permitted within the same week as furlough hours unless approved by the appointing authority. Employees shall not use any paid time (e.g. vacation, in-lieu, banked time, etc.) to replace or supplement furlough day.
6. Employees in assignments that will require overtime or revenue loss if the member is furloughed will be placed on the Alternate Furlough Option and be required to take one hundred and four (104) hours of an unpaid furlough between pay period including October 1, 2020 and the pay period including September 30, 2021. The City will provide the Union with a list of positions, assignments and individuals to be included in this alternative approach to generate savings.

Non-career employees will not be scheduled to work on a scheduled business closure day. If based on operational necessity, there is a need for a non-career employee to work on a closure day, the department will schedule an alternate day off during the same work week.

LETTER OF AGREEMENT
BETWEEN THE CITY OF LONG BEACH AND
THE LONG BEACH SUPERVISORS ASSOCIATION

FURLOUGH PARITY LANGUAGE

LBSEA agrees to 26 workdays/208 hours (approx. 10%) of unpaid furlough days in FY 2021, provided that the City agrees to a “Furlough Parity Reopener” to guarantee that all non-sworn bargaining units (excluding public safety [POA, FFA and LGA] and miscellaneous groups with a closed contract) will be subject to the same total number of furlough hours (26 days = 208). This also excludes employees on an Alternate Furlough Program (contribution half (13 days = 104 hours).

The City and LBSEA agree that it is the intent of this Section regarding furloughs that all non-sworn bargaining units serve the same total number of furlough hours FY 2021 (excluding Alternative Furlough Program). Therefore, should the City reach agreement with another non-sworn bargaining unit that provides for less furlough hours than has been agreed to in this Section, or if the City is not able to reach agreement and instead imposes terms on another non-sworn bargaining unit that are less than the value of the furlough cost savings agreed to in this Section, the parties agree to re-open the MOU to discuss how to provide LBSEA members with compensation that equals the difference in furlough hours they served in comparison to other non-sworn bargaining units. This limited re-opener can be exercised by either the City or LBSEA.

LETTER OF AGREEMENT
BETWEEN THE CITY OF LONG BEACH AND
THE LONG BEACH SUPERVISORS ASSOCIATION

LABOR COST SAVINGS RE-OPENER

1. Due to the continued uncertainty of the City’s financial condition caused by the COVID-19 pandemic, the City and LBSEA (“the parties) agree that during the period commencing September 1, 2020 and ending on the last date of this Agreement, the MOU may be reopened on economic issues if the Mayor and Council officially declare an economic emergency. The declaration of an economic emergency shall not be subject to any grievance or arbitration procedure.

2. In the event the Mayor and Council declare an economic emergency; the parties agree to immediately begin to meet and confer to address possible measures to help ameliorate the fiscal crisis. The City shall notify LBSEA in writing to request that this agreement be reopened, provided that such reopener is limited to achieving labor costs savings, such as furloughs, reduction in hours or changes to Article Two (Salaries and Compensation), Article Three (Paid Time Off Benefits) and Article Four (Benefits). The Association agrees that they shall meet with the City within one week of the written request and shall meet daily until agreement is reached or impasse is declared.

3. If the parties are unable to reach agreement on the reopener within 30 days of the written request to reopen, they agree to proceed to the impasse resolution process in accordance with the Meyers Milias Brown Act. If the Association requests factfinding regarding the impasse in negotiations, the parties will make their best efforts to agree upon an efficient, economical, and fair factfinding process. The parties agree that the factfinding panel will include a City representative and LBSEA representative. The parties agree to select their respective panel members and the neutral factfinding panel chairperson within 5 days of the factfinding request. The parties agree to schedule the factfinding hearing within 15 days of the factfinding request, and to direct the panel to make its written recommendations as expeditiously as possible, and in no event later than 10 days after the date of the hearing.

4. In the event of a reopening ending in impasse, the City shall have the right to unilaterally implement the last, best and final offer upon completion of the impasse process. However, the item unilaterally changed cannot become part of the collective agreement unless and until the union agrees. The provisions of Article One, Section VIII, “Peaceful Performance of City Services,” shall continue in full force and effect regardless of any re-opening of negotiations.
