The declaration of an economic emergency shall not be subject to any grievance or arbitration procedure.

D. Performance Increases

Step increases will be based on performance as set forth below:

1. Step Advancement

Subject to satisfactory performance, as set forth in Section 2 below, after an employee has served an initial six (6)-month period of employment in a position at a pay rate designated as Pay Rate Step 1 in the salary schedule established by Section 2 of this resolution, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 2; after a second six (6)-month period of satisfactory performance of employment, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 3; and after another six (6)-month period of satisfactory performance of employment, the salary of such employee shall be at the applicable pay rate designated as Pay Rate Step 4. Thereafter, the pay rate of such employee shall successively be at the applicable pay rate respectively designated as Pay Rate 5, 6, or 7 upon their successive completion of a one (1)-year period of employment at the preceding pay rate. If the initial salary of any employee has been specifically designated at a pay rate other than Pay Rate Step 1, 2 or 3, their pay rate thereafter, shall, upon their successful completion of a one-year period of employment at that pay rate, be at the next successively higher applicable Pay Rate Step.

2. Performance System

As set forth in D.1. above, an employee will advance to the next step of the salary schedule if they receives an overall Meets Job Requirements rating on the Employee Performance Appraisal form developed and administered by the Civil Service Department. The rating will be based on the most recently completed Employee Performance Appraisal form. Employee appraisals are not arbitrary or capricious. All parties desire consistency in the appraisal process throughout the City. Performance that may result in ratings below "meets job requirements" should be discussed with the employee as needed throughout the rating period and should also be shared with the employee in a timely manner.

In the event the employee does not receive an overall Meets Job Requirements rating, the employee will not advance to the next successive step. No later than six (6)-months after the original date the step increase was due, the employee will be re-evaluated. If the employee receives an overall Meets Job Requirements rating, they shall be advanced to the next successive step. They will receive their next step increase in accordance with the provisions of item D.1. above, i.e., either six (6)-months or one (1) year. In the event the employee does not receive an overall Meets Job Requirements rating, they will remain on their current step until such time they receive a new evaluation and a Meets Job Requirements rating.

If an employee's Performance Appraisal form is not completed within thirty (30) calendar days after the step increase is due, the employee will advance to the next step retroactive to the date the step increase was scheduled.

E. Automatic Grade Advancement

1. Effective January 16, 2021, eligible employees in the Refuse Operator I classification shall automatically advance to the level of Refuse Operator II upon the satisfactory completion of twelve (12) months at Step 7.
2. For the purpose of this procedure, "twelve months" shall be defined as 2088 scheduled hours.
3. An employee for whom an "unsatisfactory" or "needs improvement" performance evaluation has been filed or whom has an unexcused absence or received discipline within past twelve (12) months may be denied the grade advancement upon completing the required twelve months at Step 7.
4. Employees not eligible for the automatic grade advancement after completion of the twelve months at Refuse Operator I Step 7, shall be reevaluated for grade advancement to Refuse Operator II after the completion of an additional 6-month period.
5. The City retains the right to promote an employee to a higher-grade level prior to the completion of hours outlined in this provision.

F. Appeal Process

If an employee does not receive a step increase because of their performance rating, they may appeal the rating as follows:

1. A complaint shall be presented in writing directly by the employee to the immediate supervisor within ten (10) working days from the date the employee signs or refuses to sign the Employee Appraisal form, which acknowledges that

the employee has read and reviewed the rating. The immediate supervisor will respond back to the employee in writing within ten (10) working days from the date of the complaint was received.

2. If the employee is dissatisfied with the results of the supervisor's written response, they may appeal the matter to the Department Head or designee, ten (10) working days from the written response from the supervisor regarding the rating. The Department Head or designee will respond to the employee within ten (10) working days from receipt of the complaint.
3. If the employee is dissatisfied with the response from the Department Head or designee, the employee may appeal by written request to the Director of Human Resources within ten (10) working days from the date of decision by the Department Head.
4. If the matter is submitted to the Director of Human Resources or designee, within twenty (20) working days after the receipt of the written request from the employee, the Director of Human Resources shall review and may conduct investigations and hearings on the matter. Employees called as witnesses will be released from duty as needed.
5. The findings of the Director of Human Resources shall be transmitted only to the parties to the dispute within ten (10) working days from the date of the hearing or proceeding. The decision of the Director of Human Resources or designee shall be final and binding upon all parties and is not subject to the grievance procedure.
6. In all the above steps, the employee is entitled to the same representation as provided for in the grievance procedure.
7. The timelines set forth in Section 1.E.3 may be extended by mutual agreement of the parties, and such agreement shall not be unreasonably withheld.

Section II – Overtime

A. Work Week and Increments of Time Reporting

Bargaining Unit members work a seven-day FLSA workweek (168 recurring hours). Hours worked shall be accounted for in increments of six (6) minutes. Overtime shall be earned, credited and paid or taken off (compensatory time off) in increments of six (6) minutes. No overtime credit shall be allowed for a period of less than six (6) minutes.

B. FLSA Overtime

FLSA Overtime for all work performed in excess of forty (40) hours per week, will be paid at the regular hourly rate at one and one-half times.

Hours charged to vacation leave shall be excluded and not be considered when determining premium pay under the provision of this MOU. MOU Overtime (in excess of 40 hours per week, excluding vacation) will be paid at time and one-half the regular hourly rate or accrued as Compensatory Time Off.

D. Compensatory Time Off (CTO)

1. Employees working overtime will be eligible to accrue Compensatory Time Off (CTO) in lieu of receiving overtime compensation for each hour of overtime worked. CTO is earned at one and a half (1.5) hours for each hour worked. CTO time-off may be accrued up to a maximum of ninety (90) hours.
2. Banked overtime credits shall not exceed ninety (90) expanded hours for any employee at any one time.

(60 straight time hours x 1 ½ = 90)

3. Employees will be paid for all accrued CTO annually with the final pay period of each fiscal year or in the pay period immediately preceding a general salary increase. Should an employee promote to a classification with a higher base hourly rate of pay, all accrued CTO will be paid as compensation to the employee at the rate of pay prior to promotion.
4. An employee wishing to use accrued CTO shall provide the City with reasonable notice of such request. "Reasonable notice" is defined as at least two weeks' notice. If reasonable notice is provided, the employee's request will not be denied unless it would be unduly disruptive to the department to grant the request. A request to use CTO with less than two weeks' notice may still be granted within the discretion of the supervisor or manager responsible for considering the request.
5. Department Heads or designees retain the sole discretion in granting the request to accrue CTO or paying it has overtime worked.
6. In the event that the Department of Labor's rules and regulations are amended to give the City control over scheduling off the FLSA compensatory time so as not to require replacement personnel, the parties will agree to reopen this section of the MOU.

Section III – Seniority for Overtime Scheduling

For purposes of working scheduled overtime (e.g. Saturdays, etc.) the Supervisor will recruit the necessary crews on a voluntary basis. Failure to obtain the necessary volunteers will result in the Supervisor assigning overtime starting with the employee with the least seniority.

The employee shall be paid the night shift differential established by this Section only for each hour actually worked between the hours of 6:00 p.m. and 6:00 a.m.; or

PAID PARENTAL LEAVE

Effective the first full pay period of calendar year 2021, the City will provide the following Paid Parental Leave benefit policy:

The proposed policy institutes a new program offered by the City which provides 30 consecutive calendar days of Parental Leave at 100% of salary, for the birth, adoption or foster placement of a child, regardless of the gender, marital status or sexual orientation of the parent. Paid Parental Leave may be taken at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.

The leave must be taken in full day increments, and within one year of the date of birth/placement of the child. This type of absence is not charged against the employee's leave accruals.

Purpose/Objective

All full-time employees eligible for City health benefits are eligible for Paid Parental Leave, for up to 30 consecutive calendar days in the twelve-month period following the birth of a child, adoption of a child, or placement of a foster child in their home. Employees will be afforded the same level of benefit continuation for the period of time that the employee is on Paid Parental Leave as if the employee was on active work status.

The purpose of Paid Parental Leave is to enable the employee to care for and bond with a newborn or a newly adopted or newly placed child.

Eligibility

- Permanent full-time employees eligible for City health benefits; AND
- Employees that have completed six (6) months of full-time City service; AND
- Employees who are the parent of a newborn child; OR
- Employees who have adopted a child or who have had a foster child placed in their home (in either case, the child must be age 17 or younger).
- This benefit shall apply to life events occurring after the effective date of the Paid Parental Leave program.

Amount, Time Frame and Duration

- Employees will be eligible for up to 30 consecutive calendar days (160.0 hours) of Paid Parental Leave at employee's adjusted hourly rate of pay.
- Paid Parental Leave will be paid on regularly scheduled pay dates.
- Approved Paid Parental Leave may start up to two consecutive weeks prior to and at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.
- The 30 consecutive calendar days of Paid Parental Leave will begin on the first day of Paid Parental Leave used, and in no event, shall exceed 30 calendar days within a 12-month period.
- Paid Parental Leave may not be used or extended beyond this twelve-month time frame.
- The City will allow employees to take Paid Parental Leave only in the smallest of increment equivalent to a one-day shift according to their regular work schedule (i.e., no partial days shall be taken under any circumstance).
- In no case will an employee receive more than 30 consecutive calendar days of Paid Parental Leave in a rolling 12-month period, regardless of whether more than one birth, adoption or foster care placement event occurs within that 12-month rolling time frame.
- City employees who are co-parents with another City employee, will each have an individual right to paid Parental Leave.

Coordination with Other Policies

- Paid Parental Leave taken under this policy will run concurrently with leave under the FMLA, CFRA and PDL.
- If a City holiday occurs while the employee is on Paid Parental Leave, such day will be charged as holiday pay and will not be counted against the employee's 30 consecutive calendar days of Paid Parental Leave.

Requests for Paid Parental Leave

- The employee must provide his or her supervisor and the Human Resources Department with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible).
- An employee who does not give 30 days' notice must explain why such notice was not practical.
- The employee must complete the necessary Human Resources Department forms and provide all documentation as required by the Human Resources Department to substantiate the request.
- Employees may request to start their Paid Parental Leave up to two weeks prior to the birth/placement of the child.

The City retains the right to review the Paid Parental Leave program at the end of the contract term to evaluate the program's impact on operations. The parties will agree to meet and confer modifications to the program to address unforeseen fiscal and/or operational impacts.

Applicable MOU Provision(s)

Upon implementation of Paid Parental Leave program, the parties agree to eliminate Article III, Section Preservation of Sick Leave (Vacation) During Extended Leave which states:

- *Whenever a permanent employee has requested an extended leave of absence (more than 30 days), the employee has the option to retain up to eighty-hours of sick leave/vacation/holiday pay in the system. However, previously scheduled vacation time may be preserved in addition to the 80-hour limit.*

This Article III, Section C, will be discontinued and removed from applicable Memorandum of Understanding and any other documents, or locations referenced.

To minimize layoffs during Fiscal Year 2021, the City and SEIU agree that an unpaid work furlough equivalent to 5% percent of permanent employees pay (104 hours for permanent full time employees) will be taken during the period including October 1, 2020 to the pay period including September 30, 2021. This will include permanent full-time employees and permanent part-time employees that work at least 20 hours per week.

Employees will be required to take the full number of furlough hours (104 hours).

- E. Furlough hours will be scheduled by management and may require closure of certain operations based upon business necessity. Every effort will be made to float furlough hours to effectively reduce costs and minimize the impact on public services. Overtime will not be permitted within the same week as furlough hours unless approved by the appointing authority. Employees shall not use any paid time (e.g. vacation, in-lieu, banked time, etc.) to replace or supplement furlough day.
- F. Employees in assignments that will require overtime or revenue loss if the member is furloughed will be placed on the Alternate Furlough Option and be required to take one hundred and four (104) hours of an unpaid furlough between October 1, 2020

and the pay period including September 30, 2021. The City will provide the Union with a list of positions, assignments and individuals to be included in this alternative approach to generate savings.

- G. Non-career employees will not be scheduled to work on a scheduled business closure day. If based on operational necessity, there is a need for a non-career employee to work on a closure day, the department will schedule an alternate day off during the same work week.
