RELEVANT INFORMATION

This form when properly validated grants temporary use of all meters listed herein. However, the completion and payment of this application does not warrant nor guarantee that the requested utilities will be released.

No person shall furnish or supply gas/electric to any gas piping/electrical conduit or install any meter therefore until all plumbing/electric has been installed and approved by the Building Official.

EXCEPTION: Gas/electric service may be supplied to gas piping/electrical conduit for construction purposes only and a gas/electric meter may be installed under the following conditions:

- a. The owner of the building or a duly authorized representative shall apply to Department for such gas/electric service and shall pay a fee as set forth in the schedule of fees and charges established by City Council resolution in connection with such application to the Building Official. The application for such gas/electric service shall not be granted until all gas piping/electrical conduit in the structure affected has been tested and approved.
- b. Such service shall not be permitted for an initial period in excess of thirty (30) days. The Building Official may impose such reasonable requirements and regulations in connection therewith as he or she may deem necessary. For good cause, the Building Official may extend such period of time in his or her reasonable discretion.
