

NOTICE OF PUBLIC HEARING PLANNING COMMISSION

Application Number: 2001-08 (ZCA20-002) Application Date: January 15, 2020
Project Location: Citywide
Project Applicant: City of Long Beach Animal Care Services
Approval(s) Requested: Zone Code Amendment
Proposed Project: A request to amend the Long Beach Municipal Code standard to increase the maximum number of household animals from four (4) to six (6) animals. The proposed amendment includes amending the code to relocate the standard from Title 21 "Zoning" to Title 6 "Animals."

Environmental Review: Pursuant to the California Environmental Quality Act (CEQA), Article 5, Section 15061 and the State CEQA Guidelines, it can be seen with certainty that the subject modifications to the City's Municipal Code noted above will not have the potential for having a significant effect upon the environment, and therefore the activity is not subject to CEQA.

This Zone Code Amendment effects the implementing plan of the Local Coastal Program and is subject to certification by the California Coastal Commission.
