

## Mills Act Priority Consideration Criteria Worksheet

The following Priority Considerations were recommended by the City of Long Beach Cultural Heritage Commission in October 2014 and approved by the City Council in January 2015. Eligible and complete applications with the following characteristics will be given priority consideration for receiving a Mills Act contract.

1. Is your property a unique or important historic structure that is in particularly poor condition and in need of significant restoration, regardless of location?

Yes                      No

Please describe the significant restoration needed:

2. Applications that include a local (Long Beach) component for labor or materials in the workplan will be given priority. Does your application meet this criteria?

Yes                      No

Please describe the local resources your project may utilize in your workplan:

3. Potential new landmark properties not within a designated historic district will be given priority. Is your property a potential new landmark not within designated historic district?

Yes                      No

Please describe how your property may qualify for a potential new landmark:

The Cultural Heritage Commission would like to encourage the rehabilitation, restoration and maintenance of designated historic landmarks or contributors to historic landmark districts with significant need. However, as noted in the Application Guide, properties with outstanding Orders to Comply from the Building and Safety Division or Housing Authority will not be eligible for a Mills Act contract until those urgent conditions are first remedied.

If this criterion applies to you, please describe the unique or important aspects of your property and the significant restoration that is needed:
