DIRECTIONS TO APPLY FOR A STRUCTURE MOVING PERMIT

1. Provide a completed Plot Plan of the existing and proposed locations.
2. Meet with Planning Bureau staff to determine if the new location will require any entitlements or environmental impact reviews.
3. Meet with Building and Safety staff to determine if the new location will impact any fire and/or life safety requirements.
4. Pay the Posting and Permit Fees.

Please note that any property owner and/or tenant within a radius of 300 (three hundred) feet may file a written protest with the Building Official within seven (7) days after the posting of the moving notice. In the event of such protest, the Board of Examiners, Appeals, and Condemnation will set a date to approve the move or sustain the protest. (LBMC §18.60.050)

5. You will be contacted should the Building Moving Permit be approved in concept. At that time, please provide the Long Beach Development Permit Center with pictures of the building and contact information so that the building can be accessed and inspected. The Building Official shall then notify the applicant whether the permit is granted under certain specified terms and conditions or has been denied.
6. After notification from the Building Official, please contact the following agencies for their approval and/or appropriate documentation (LBMC §18.60.210):
 - a. County of Los Angeles, Department of Public Works, at <http://dpw.ladcounty.gov/SPATS>. Apply on-line for a Transportation Permit and attach the approved Permit to this application.
