FOOTNOTE:

1. Comply with all mandatory feature energy requirement contained in the 2019 Edition of the California Building Energy Efficiency Standards, CCR Title 24, Part 6 (a.k.a., California Energy Code).
2. Plumbing fixtures and faucets provided shall comply with water-conserving requirement contained in the 2019 Edition of the California Plumbing Code.

If a simple construction project does not qualify for the Express Permit Service, it will be necessary to submit the construction documents for plan review through the Over-the-Counter Plan Check Service or the Regular Plan Check process (refer to [Information Bulletin IB-002](#) or longbeach.gov/lbds/building/project-submittal for additional information).

To request this information in an alternative format or to request a reasonable accommodation, please contact the Development Services Department at longbeach.gov/lbds and 562.570.3807. A minimum of three business days is requested to ensure availability; attempts will be made to accommodate requests with shorter notice.
