"Winter Magic" was the theme for Shoreline Yacht Club's 39th annual boat parade through the year. Two larger vessels, the 75-foot Newport Princess and a 45-foot cabin cruiser, also came aground but their wooden superstructures were no match for the gale force winds and pounding surf that pulled them apart.

Debris from these two vessels littered the oceanfront stretching from Alamitos Beach, past Junipero Beach and to somewhere in the distance. The Marine Bureau has been working in partnership with the United States Coast Guard and the State of California Department of Fish & Wildlife throughout our incident response to mitigate adverse environmental impact and hazards to navigational safety. Most importantly, the Marine Bureau has been working in partnership with the United States Coast Guard and the State of California Department of Fish & Wildlife in their efforts to mitigate adverse environmental impact.

Happy New Year everyone! Regardless of what is happening around us, I'm hopeful and looking forward to 2022. Welcome 2022!

Elvira Hallinan
Manager, Marinas and Beaches
