PRESS RELEASE

The City of Long Beach and experts in California’s tourism and hospitality industry have announced $480,000 in funding for the renovation of the Queen Mary, Aquarium of the Pacific, Queen Mary Park, and California’s Pacific Coast to be used as a destination for the world-renowned freighter turned hotel. Funding will also support the development of the Long Beach Waterfront and the Long Beach Convention & Visitors Bureau.

The City of Long Beach and the Queen Mary, Aquarium of the Pacific, and California’s Pacific Coast will receive $480,000 in funding from the California Tourism Network (PRM) to support the renovation and development of the destination. The funding will be used to support the development of the Queen Mary, Aquarium of the Pacific, and California’s Pacific Coast destination, which will include the renovation of the Queen Mary, Aquarium of the Pacific, and California’s Pacific Coast.

For more information, visit http://longbeach.gov/park. For updates on the development of the Long Beach Waterfront and the Long Beach Convention & Visitors Bureau, visit http://longbeach.gov/park. For updates on Queen Mary, Aquarium of the Pacific, and California’s Pacific Coast, visit http://longbeach.gov/park.
