City Place Garage Mural Restoration Project

The City's Contractor, Horizons Construction Co. Int'l, Inc., is scheduled to begin construction in the area in the Summer 2024 with a scheduled completion, barring weather or other unforeseen delays, by Fall 2024.

The improvements will include:

- Restoration repairs to tile mural
- Improve infrastructure quality
- Increase useful life of the Mural
- Minor onsite improvements

The contractor is scheduled to perform work **Monday through Friday from 7:00 AM to 4:00 PM**. A Minimum of 4-6 public parking spaces will be used at the top level of the City Place Parking Structure "C" for construction purposes with minimum impacts for residents. Efforts will be made to minimize inconveniences and minimize construction activities to the parking garage and Harvey Milk Promenade Park patrons.

The contractor encourages park patrons to keep children away from the construction areas and activities.

Thank you in advance for your patience and cooperation throughout this project. For more information, please visit longbeach.gov/cityplacemuralproject, e-mail Monica.DerGevorgian@longbeach.gov, or call (562) 570-7211.
