Print Name

Signature of Remote Pilot in Command or Authorized Company Representative

Title

Basic Provisions of 14 CFR Part 107

- UAS must weigh between 0.5 and 55 pounds.

Best Practices for UAS Operations Over State Property

Although not specified in Part 107 Rules, the CFC suggests the following for optimum safety:

- Use of a visual observer.
- UAS operator should scout location site(s) of proposed drone activity in advance of filming.
- Operator should be at least 21 years of age.
- Operator should possess a Motion Picture & Television Operations Manual.
- Operator should have previous film set experience.

Indemnification of City - Applicant hereby agrees to indemnify and defend the City, its officers, agents, employees and volunteers against any and all claims for injury, damage or expense which they may incur arising out of or in any way connected with any and all operation authorized or permitted by this permit.

Liability Insurance - As a condition of the issuance of this permit, applicant shall provide and maintain on file with the City evidence of current liability insurance an amount not less than \$5,000,000 combined single limit per occurrence. Said insurance shall name the City of Long Beach, its officers, agents, employees and volunteers as additional insured and shall be in a form and with insurers approved by and acceptable to the City Manager.

IMPORTANT

Please allow up to seven (7) business days for the CFC to process requests for film permits that include the use of drones, and be aware that the process will not begin until all required documentation has been submitted.

Also note that meeting all qualifications required of a Remote Pilot does not guarantee that permission to fly a small UAS over State property will be granted. CFC State partners (Caltrans, State Parks, etc.) review applications on a case-by-case basis and consent or deny requests based on location conditions and specific agency guidelines.

NOTE: Conditions, surroundings and arrangements shall be in accordance with the Long Beach Municipal Code. Non-compliance of same and/or the conditions and restrictions of this permit shall render this permit null and void.

ADDITIONAL PERMITS AS OUTLINED IN THE MUNICIPAL CODE MAY BE REQUIRED.

For Dept. Use Only
