

Tree Planting Checklist

These are the supplies you will need to plant your tree. Note that many tools can be borrowed from hardware stores so it is not required to purchase everything on this list.

Supplies Needed:

- 15 gallon tree
- Measuring tape
- 2 shovels
- Pruners
- Approved tree planting permit (if planting in your parkway)

If your tree cannot stand on its own you will also need:

- 2 lodge poles
- Lodge pole slammer
- 2-3 Rubber ties
- Hammer
- 2-3 small nails
